This Guide is intended for the use of students who plan on transferring from Mineral Area College (MAC) with a completed Associate of Arts to the University of Missouri – St. Louis (UMSL) to pursue a Bachelor of Science in Biochemistry & Biotechnology.

For more information on UMSL’s Bachelor of Science in Biochemistry & Biotechnology, please visit our online Course Catalog.

The following are the requirements of MAC’s Associate of Arts degree program as they are recommended for students who intend on transferring to UMSL and completing a Bachelor of Science in Biochemistry & Biotechnology. Completing these requirements as they are recommended will maximize the transferability of a student’s coursework toward their UMSL Bachelor’s degree. For more detailed information on MAC’s Associate of Arts degree program, as well as comprehensive lists of courses that satisfy each General Education component, students should contact a MAC advisor or check the MAC course catalog.

This guide is intended for use under advisement of a MAC Academic Advisor or UMSL Transfer Representative and is not considered to be substitution of such advisement.
