## UNIVERSITY OF MISSOURI – ST. LOUIS & ST. CHARLES COMMUNITY COLLEGE TRANSFER DEGREE GUIDE

This Guide is intended for the use of students who plan on transferring from the St. Charles Community College with a completed Associate of Arts to the University of Missouri – St. Louis to pursue a Bachelor of Science in Business Administration with emphasis in any of the following fields: **Finance, Marketing, General Business, Management, International Business, Logistics & Operations, and Information Systems.**

Through the completion of an Associate of Arts degree at the St. Charles Community College, a student transferring to the University of Missouri – St. Louis will transfer all courses that satisfy degree requirements of their declared program at UMSL. As well, completion of the SCC 42-hour General Education program within the Associate of Arts degree automatically satisfies completion of the UMSL 42-hour General Education program.

This guide is intended for use under advisement of the SCC Academic Advising Office or the UMSL Transfer Coordinator and is not considered to be substitution of such advisement.

Note that this guide does not list all information relevant to the transfer of credit to UMSL and the Bachelor of Science in Business Administration.

### The St. Charles Community College Associate of Arts

Completing the requirements of the Associate of Arts degree as they are recommended here will maximize the transferability of a student's coursework toward their UMSL Bachelor of Science in Business Administration: Emphasis in all areas except Accounting. Further details of this degree program, as well as comprehensive lists of courses that satisfy each General Education component may be found within the St. Charles Community College course catalog or may be obtained at the SCC Academic Advising Office.
