ASSOCIATE DEGREE IN NURSING  
TO A  
BACHELOR OF SCIENCE IN NURSING

UNIVERSITY OF MISSOURI – ST. LOUIS &  
ST. CHARLES COMMUNITY COLLEGE  
TRANSFER GUIDE

This Guide is intended for the use of students who plan on transferring from St. Charles Community College (SCC) with a completed Associate Degree in Nursing to the University of Missouri – St. Louis (UMSL) to pursue the Bachelor of Science in Nursing: RN to BSN Completion program.

The UMSL RN to BSN Completion Program is designed to be a flexible option, completed in five consecutive terms after transfer. Courses can be taken online or on the UMSL campus one evening per week. For more information on this program, please visit the UMSL College of Nursing’s website. Also, it is highly recommended that prospective Nursing students meet with the UMSL College of Nursing as early as possible to make sure that they have all information relevant to their degree progress. The UMSL College of Nursing can be reached at (314) 516-6066 to schedule an information session.

The SCC/UMSL RN to BSN Dual Admission Pathways option allow ADN students who want to get an early start on their BSN coursework. Students can be provisionally admitted and enrolled into the RN to BSN Completion Program and will take UMSL courses either online or on the SCC campus. More information on this option can be found here or by contacting the UMSL College of Nursing.

The following are the requirements of the SCC Associate Degree in Nursing program as they are recommended for students intending to continue on into UMSL’s Bachelor of Science in Nursing: RN to BSN Completion program. Completing these requirements as they are recommended here will maximize the transferability of a student’s coursework toward their UMSL Bachelors degree. Further details of this Associates degree program, as well as comprehensive lists of courses that satisfy each General Education component, may be found within the SCC course catalog or may be obtained through a SCC advisor.

This guide is intended for use under advisement of a SCC Academic Advisor or UMSL Transfer Specialist and is not considered to be substitution of such advisement.

APPLICATION & ADMISSION PROCEDURE
Students must apply and be formally accepted into the SCC Associate Degree in Nursing program before enrolling in any Core Course Requirement courses. Detailed information on the application process and admission criteria for the program can be found on SCC’s website.
