Students that plan to transfer to UMSL to pursue a Bachelor of Science in Criminology & Criminal Justice but do not wish to complete an Associates degree at STLCC should focus on completing the Highlighted Courses above in conjunction with those outlined in the STLCC General Education Transfer Guide.

This transferability of the STLCC Associate in Applied Science in Criminal Justice was established by the 2012 Articulation Agreement between UMSL and STLCC. A student may also pursue an Associate in Arts at STLCC to lead them to UMSL Bachelor of Science in Criminology & Criminal Justice. This AA option is the more recommended path as it contains a full, 42-hour Missouri General Education program.
