

Alumni benefits as it relates to chemists

Library benefits for Alumni Association members:

<http://www.umslalumni.org/s/260/index.aspx?sid=260&gid=1&pgid=280>

SciFinder Scholar is one of the restricted databases:

http://flux.umsl.edu/library/database_details.php?ref=alpha&db=142

Databases in the Chemistry and Biochemistry area and that appear to be open for alumni use (on campus):

American Chemical Society Full Text Journals (Full Text)

Cell Press, 1995 - Present (Full Text)

Nature Publications (Full Text)

Royal Society of Chemistry (RSC) Online Titles (Full Text)

Science Magazine, Oct-96 - Present (Full Text)

ScienceDirect (Full Text)

Scopus

Anyone who is interested in an Alumni card just need to bring their valid Alumni card to the Circulation Desk where they will set them up with the corresponding library card.
