

Department of Economics Course Offerings – Summer Semester 2013

College of Arts and Sciences — One University Blvd., 408 Social Sciences Building, St. Louis, MO 63121-4400, 314-516-5353

The department of economics is pleased to be offering the following courses during the summer semester 2013. Please note that all students must contact an advisor before registering for classes. Students will also need an advisor's signature for courses requiring special consent and to be admitted to "closed" sections. Some courses also require prerequisites that must be met prior to registration of said course (see The Bulletin at <http://www.umsl.edu/bulletin/as/economics.html> for more information).

A minimum grade of C- is necessary to satisfy any course prerequisite. Also, seniors with an overall GPA 3.25 may enroll in 5000 level courses; however, a special permission form signed by the Director of Graduate Studies is required.
