Arrival Information

The Office of International Student & Scholar Services offers airport pick-up services to newly arrived students at the beginning of the Fall and Spring semesters. If you would like to be picked up at the airport when you arrive, please send in your arrival information **no later than August 1, 2008**. You can submit this information by doing one of the following:

- 1) Complete the online arrival information form on our website (<http://www.umsl.edu/international>) under the 'Admitted Students' section.
- 2) Submit your completed arrival information form by mail, fax or email. If you would like to submit this form by email, please download the PDF or MS Word version from our website. Just click on the 'Arrival Information Form' link under the Admitted Students' section.

If you would like someone to meet you at the St. Louis International Airport, you must notify the Office of International Student & Scholar Services by August 1, 2008.

If you do not submit your arrival information, you will need to make your own arrangements regarding your arrival. Please do not ask for an airport pick up through our office and also arrange for someone else to meet you at the airport.

Pickups are available on August 7-8, 2008.

Please be sure to print your email address legibly. When we receive your arrival information, you will be sent a confirmation by email.
