## EDUCATION

- **Doctor of Philosophy in Business Administration, 2012**  
*University of Missouri - St. Louis, MO*
- **Master of Science in Computer Science, 2001**  
*Governors State University, University Park, IL*
- **Bachelor of Arts, 2000**  
*Governors State University, University Park, IL*
- **Bachelor of Commerce, 1998**  
*Anwar-ul-uloom College, Hyderabad, India*

## PROFESSIONAL EXPERIENCE

- **Associate Professor of Information Systems**, Department of Information Systems and Technology, College of Business Administration, University of Missouri-St. Louis (August 2019 – to present)
- **Founding Director of Cybersecurity Institute**, joint appointment through College of Business Administration and College of Arts and Science, University of Missouri-St. Louis (January 2018 – September 2019)

- **Tenure-track Assistant Professor of Information Systems**, Department of Information Systems and Technology, College of Business Administration, University of Missouri-St. Louis (August 2014 – July 2019)

- **Executive Committee Member**, Gateway Higher Education Cybersecurity Consortium, Saint Louis, Missouri (March 2018 – September 2019)

- **Tenure-track Assistant Professor of Management Information Systems**, Department of Entrepreneurship, Technology, and Law, Foster College of Business, Bradley University, Peoria IL (August 2013 – August 2014)

- **Lecturer**, Information Systems Department, University of Missouri - St. Louis, College of Business Administration, St. Louis, MO (June 2012 – June 2013)

- **Graduate Research Assistant**, Information Systems Department, University of Missouri - St. Louis, College of Business Administration, St. Louis, MO (May 2006 – September 2011)

## RESEARCH

### Grants

2017: “An Innovative, Flexible, and Multi-Purpose Lab Environment for Fostering Hands-on Skills Development in Cybersecurity Education”, *U.S. Department of Defense*, \$294,519.78, Principal Investigator

### Refereed Journal Publications

Khan, S.A. (March 2019) "Cybersecurity and Global Disruption", presentation at the annual *International Business Career Conference*, University of Missouri–St. Louis

Khan, S. A. (November 2018) “Tackling the tough problems through research and education: Cybersecurity programs at the University of Missouri–St. Louis”, *Presentation to Missouri’s State Legislators and other public officials*, University of Missouri–St. Louis

Khan, S. A. (March 2015) “Basics of Information Security (InfoSec): Safeguarding private data of students and helping them do the same” –*Advanced Credit Program Professional Development Event for High School Teachers*, University of Missouri – St. Louis

Khan, S. A. (Jan 2015) “Developing Information Security (InfoSec) Talent in the Saint Louis Region” – *Accounting Advisory Board, College of Business Administration*, University of Missouri – St. Louis

Khan, S. A. (Dec 2014) “Developing Information Security (InfoSec) Talent in the Saint Louis Region” – *Dean’s Advisory Council, College of Business Administration*, University of Missouri – St. Louis

Khan, S. A. and Dawson, M. (Nov 2014) “Cybersecurity Efforts at UMSL” – *Information Systems Advisory Board, College of Business Administration*, University of Missouri – St. Louis

Khan, S. A. (May 2014) “Information Security Basics – Why should Individuals, startups and small businesses care?” – *Build for STL – a National Day of Civic Hacking event*, The T-Rex startup center, Saint Louis

### **Acknowledged Research Contributions**

- Research Assistance for “Business Intelligence: practices, technologies, and management,” by Sabherwal, R. and Becerra-Fernandez, I., John Wiley & Sons, 2010.
- Research Assistance for “Knowledge Management: Systems and Processes,” by I. Becerra-Fernandez, and R. Sabherwal, M.E. Sharpe, 2009.
- Research Support for “Information Technology Outsourcing: A Taxonomy of Prior Studies and Directions for Future Research,” *Journal of Information Systems*, by Blaskovich, J. and Mintchik, N. 2010, Vol. 25: 1, pp. 1-36

## TEACHING EXPERIENCE

### University of Missouri–St. Louis, St. Louis MO

#### ***Graduate Courses:***

1. Information Systems 6836 – *Management of Data networking and security*
2. Information Systems 6828 – *Principles of Information Security*
3. Information Systems 6820 – *Systems and IT Infrastructure*
4. Information Systems 5800 / Public Policy Administration 6800 (Combined Section) –  
*Management Information Systems*  
Information Systems 6808 – *Object-Oriented Programming for Business Solutions*  
(advanced Java)
5. Information Systems 6805 – *Developing Business Applications in .net (programming language VB.net)*

#### ***Undergraduate Courses:***

1. Supervised Information Systems 3899 – *Independent Study in Information Systems*
2. Information Systems 3848 – *Introduction to Information Security*
3. Information Systems 3842 – *Data networking and security*
4. Information Systems 3820 – *Introduction to Systems Administration*
5. Information Systems 3806 – *Object Oriented Programming – Java I*
6. Information Systems 3816 – *Object Oriented Programming – Java II*
7. Information Systems 2800 – *Information Systems Concepts and Applications*

## **University of Missouri, Columbia, MO**

*INFOINST 8640 – Big Data Security (Course on information security for the Master of Data Science and Analytics Degree) – Spring 2017, 2018, 2019, 2020*

## **Invited Visiting Professor, Nankai University, Tianjin, China**

IMBA-2015-Business Competitive Intelligence – (MBA Program Special Topic: *Business Competitive Intelligence: Exploring the “Dark Side” and Protecting Confidential Information through Information Security*) – Summer 2016

## **Bradley University, Peoria IL**

1. Business Management & Administration 173 – *Information Systems Concepts and Applications*
2. Business Management & Administration 373 – *Business Data Communications*
3. Business Management & Administration 379 – *Information Systems Security*

## **Internships, Independent Studies, Dissertations, and Thesis Direction**

- Doctoral Dissertation Committee Member, *Svetlana Krasteva*, Doctoral Candidate, Ph.D. in Business Administration with Information Systems Emphasis, College of Business Administration, expected graduation 2019.
- Doctoral Dissertation Committee Member, *Rooji Sugathan*, Doctoral Candidate, Ph.D. in Business Administration with Information Systems Emphasis, College of Business Administration, expected graduation 2019
- Graduate Individual Research in Information Systems, Danielle T., Spring 2019
- Graduate Individual Research in Information Systems, Scott S., Spring 2019
- Undergraduate Independent Study Advisor, *Ian F.*, Fall 2018

- Undergraduate Independent Study Advisor, *Miguel D.*, Summer 2018
- Undergraduate Internship Advisor, *Marc W.*, Spring 2018
- Undergraduate Internship Advisor, *Nino O.*, Spring 2018
- Undergraduate Independent Study Advisor, *Michael T.*, Fall 2017
- Undergraduate Internship Advisor, *Thomas W.*, Spring 2017
- Graduate Independent Study Advisor, *Richard H.*, Spring 2016
- Undergraduate Internship Advisor, *Michael S.*, Spring 2016
- Undergraduate Independent Study Advisor, *Jasmin P.*, Fall-2014

## SERVICE

### University of Missouri – St. Louis

#### **Workshops:**

- October 19, 2017, “Cybersecurity: A Strategic Priority for Nonprofits”, Non-credit class organized by the Nonprofit Management & Leadership Program, University of Missouri-St. Louis, Target Audience: Executives of Non-profits.

#### **Program/Curriculum Development:**

- Redesign two new courses for Cybersecurity Curriculum
- Develop Cybersecurity programs from scratch during the first semester of joining the department. Work done in collaboration with Computer Science department. Programs created include:
  - Graduate Certificate in Cybersecurity (interdisciplinary)
  - Undergraduate Certificate in Cybersecurity (interdisciplinary)
  - Undergraduate Minor in Cybersecurity (Information Systems Department, College of Business)
- Submit proposals to obtain funds for a dedicated Cybersecurity laboratory
- Design sandboxed virtual Cybersecurity lab to facilitate new programs
- Present to various boards on campus to make the business case and seek help to develop the new Cybersecurity programs

#### **Cybersecurity Website @ UMSL**

- Design and maintain [cybersecurity.umsl.edu](http://cybersecurity.umsl.edu) website featuring UMSL’s cybersecurity programs and the Cybersecurity blog

***STLCyberCon:***

- STLCyberCon – 2020, Cybersecurity Conference
  - Maintain/update website for 2020 conference (STLCyberCon.org)
- STLCyberCon – 2019, Cybersecurity Conference and Career Fair
  - Master of ceremonies, conference organizer, for 700 attendees
  - Maintain/update website for 2019 conference (STLCyberCon.org)
  - Recruit speakers, career fair employers
- STLCyberCon – 2018, Cybersecurity Conference and Career Fair
  - Master of ceremonies, conference organizer, for 700 attendees
  - Maintain/update website for 2018 conference (STLCyberCon.org)
  - Recruit speakers, career fair employers
- STLCyberCon – 2017, Cybersecurity Conference and Career Fair
  - Master of ceremonies
  - Maintain/update website for 2017 conference (STLCyberCon.org)
  - Recruit keynote, speakers, career fair employers
  - Help in organizing conference and conduct events for 700 attendees
- STLCyberCon – 2016, Cybersecurity Conference and Career Fair
  - Independently create website for 2017 conference (STLCyberCon.org)
  - Recruit speakers, career fair employers
  - Help in organizing conference and conduct events
- STLCyberCon – 2015, Cybersecurity Conference and Career Fair
  - Recruit speakers, panelists, career fair employers
  - Help in organizing conference and conduct events

***College of Business Administration Committees:***

- Graduate Studies Committee, College of Business Administration – Fall 2020
- Graduate Studies Committee, College of Business Administration – Spring 2020

- Graduate Studies Committee, College of Business Administration – Fall 2019, led the initiative to redesign two graduate programs in the College.
- Graduate Studies Committee, College of Business Administration – Spring 2019
- Graduate Studies Committee, College of Business Administration – Fall 2018
- Graduate Studies Committee, College of Business Administration – Spring 2018
- Graduate Studies Committee, College of Business Administration – Fall 2017
- Graduate Studies Committee, College of Business Administration – Spring 2017
- Graduate Assurance of Learning Committee, College of Business Administration (Fall 2014)

**International Conference on Information Systems (ICIS) 2010 Conference Committee:**

- ***Review Coordinator ICIS 2010***  
Administrator of 'ManuscriptCentral' system for the conference. Coordinated smooth submissions, reviews, decisions, and publication of more than 800 paper submissions.
- ***Webmaster ICIS 2010***  
Independently developed and managed the *International Conference on Information Systems (ICIS) 2010* website.

**Ad Hoc Reviewer:**

- *Journal of Information Systems*
- *Journal of the Association for Information Systems*
- *European Journal of Operational Research*
- *IEEE-Transactions on Engineering Management*
- *Journal of Strategic Information Systems*
- *Journal of Information Technology*
- *International Conference on Information Systems (ICIS)*
- *Journal of Information Technology Case and Application Research*

- *Strategic Outsourcing an International Journal*

## AWARDS AND RECOGNITIONS

- Excellence in Teaching Award, Department of Information Systems, College of Business Administration, University of Missouri-St. Louis, 2019
- Last Lecture nominee: Recognition by students as professors who have made extraordinary contributions to the university. University of Missouri-St. Louis, 2019
- Anheuser-Busch Excellence in Teaching Award, College of Business Administration, University of Missouri-St. Louis, 2018
- Nominee for Doug Durand Excellence in Research Award, College of Business Administration, University of Missouri-St. Louis, 2017
- Paul Gray, Most Thought-Provoking Paper award, Communications of the Association for Information Systems, 2016
- Nominee for Innovative Teaching Award, Focus on Teaching and Technology Conference, Saint Louis, 2015
- Student Success Tutoring (SST) Grant - \$3000 – Fall 2018, University of Missouri-St. Louis to hire tutors and assistants for Cybersecurity Courses
- Access to Success (A2S) Grant - \$3000 – Spring 2018 awarded by Associate Provost, Planning and Assessment, University of Missouri-St. Louis to hire tutors and assistants for Cybersecurity Courses
- Access to Success (A2S) Grant - \$6000 – Fall 2017 awarded by Associate Provost, Planning and Assessment, University of Missouri-St. Louis to hire tutors and assistants for Cybersecurity Courses
- Access to Success (A2S) Grant - \$6000 – Spring 2017 awarded by Associate Provost, Planning and Assessment, University of Missouri-St. Louis to hire tutors and assistants for Cybersecurity Courses
- Access to Success (A2S) Grant - \$6000 - Fall 2016 awarded by Associate Provost, Planning and Assessment, University of Missouri-St. Louis to hire tutors and assistants for Cybersecurity Courses.

- Access to Success (A2S) Grant - \$6000 - Spring 2016 awarded by Associate Provost, Planning and Assessment, University of Missouri-St. Louis to hire tutors and assistants for Cybersecurity Courses.
- Nominee for Innovative Teaching Award, 2015 at the Focus on Teaching and Technology Conference, Saint Louis.
- Access to Success (A2S) Grant - \$3000 - Fall 2015 awarded by Associate Provost, Planning and Assessment, University of Missouri-St. Louis to hire tutors and assistants for Cybersecurity Courses.
- Graduate school doctoral recruitment fellowship, University of Missouri – St. Louis (2009-2010)
- Graduate school doctoral recruitment fellowship, University of Missouri – St. Louis (2008-2009)
- Performance based bonus award, College of Business, University of Missouri – St. Louis (2008-2009)
- Graduate School Travel Award, University of Missouri – St. Louis (2008)
- College of Business Travel Award, University of Missouri – St. Louis (2008)
- Graduate school doctoral recruitment fellowship, University of Missouri – St. Louis (2007-2008)
- Performance based bonus award, College of Business, University of Missouri – St. Louis (2007-2008)
- Graduate School Travel Award, University of Missouri – St. Louis (2007)
- College of Business Travel Award, University of Missouri – St. Louis (2007)
- Graduate school doctoral recruitment fellowship, University of Missouri – St. Louis (2006-2007)
- Performance based bonus award, College of Business, University of Missouri – St. Louis (2006-2007)

## MEDIA MENTIONS/APPEARANCES

### TV/Radio/Print

- June 6, 2019, AOA Focus, American Optometric Association Magazine, answered inquiry related to information security in the health care sector and recent trends in the threat landscape
- January, 2019, STL Public Radio 90.7 KMST, Rolla, expert opinion on internal threats to cybersecurity
- November 11, 2017, 4pm to 7pm, Fox2 News - St. Louis, appeared on a show taking calls from community regarding impact from the 2017 Equifax Data Breach
- October 9, 2017, 12-1pm, STL Public Radio 90.7 KWMU, “St. Louis on the Air with Don Marsh”, explained security breaches, took calls from listeners ([Link as of Oct. 2017](#))
- September 14, 2017, KSDK News Channel 5 St. Louis, provided expert guidance to investigative reporter on how consumers can deal with fallout from the 2017 Equifax Data Breach ([Link as of Sep. 2017](#))
- September 9, 2017, KMOV News Channel 4 St. Louis, appeared on 5pm news report on the implications of the 2017 Equifax Data Breach for consumers
- May 15, 2017, St. Louis Magazine, “St. Louis cybersecurity expert talks recent global cyber-attack”, explained the massive Ransomware Attacks dubbed WannaCry, provided advice on protection/recovery ([Link as of May 2017](#))
- February 13, 2017, AOA Focus, American Optometric Association Magazine, answered inquiry related to information security in the health care sector, especially as it pertains to smaller clinics/service providers
- February 7, 2017, 12-1pm, STL Public Radio, “St. Louis on the Air with Don Marsh”, “*Cyber is the new domain of warfare:’ Local experts discuss cybersecurity steps you should take,*” took calls and explained key cybersecurity issues ([Link as of Feb 2017](#))
- July 15, 2017, WalletHub.com, answered media inquiry on causes and consequences of data breaches

- Featured in UMSL Daily, for work on Cybersecurity Lab <http://blogs.umsl.edu/news/2015/11/19/cybersecurity/>
- Nominee for Innovative Teaching Award, 2015 at the Focus on Teaching and Technology Conference, Saint Louis.
- UMSL Daily, for work on UMSL's designation as a National Center of Academic Excellence in Cyber Defense Education, <http://blogs.umsl.edu/news/2016/05/09/excellence-cybersecurity/>

## INDUSTRY EXPERIENCE

### ***Information Systems Lead, TechQED, Inc. Chicago, IL (March 2003 - August 2006)***

- Founded TechQED, Inc. and managed all aspects of information technology design, development, and deployment at TechQED and for clients
- Analyzed, designed, developed and deployed web based order processing, customer management and record keeping systems for small businesses. Made extensive use of open source software to keep costs low. Obtained and managed support contracts.
- Performed detailed systems analysis for clients' needs and offered direct and scalable solutions
- Developed, maintained and promoted various data driven Web sites.
- Developed various Web based applications in PHP/MySQL providing clients with efficient and user-friendly solutions
- Analyzed systems requirements for many retail stores, installed POS hardware and software, provided training and technical support to clients

### ***Web Developer, Sivan Web Developers, South Holland, IL (April 2001 – June 2002)***

- Independently developed/maintained Web Sites for a variety of clients.
- Developed a Web based mailing list administration suite
- Developed an online marketing giveaway program
- Created an easy to install/configure Web based customer information management solution

### ***Technical Support / Webmaster, Office of Career Services, Governors State University, University Park, IL (July 2000 – December 2003)***

- Provided network, hardware, and application support to end users
- Designed and maintained the Web site for Career Services Department
