All-Call for Social Justice Groups

www.umsl.edu/~lsjtrg/

The Literacy of Social Justice Teachers Research Group would like to invite all people, groups and networks involved in the social justice movement in the St. Louis area for a meet and greet Social Justice Social at Legacy Books and Cafe. Our social will be a time for groups to network with others and to unite.

Together we stand but divided we fall!

Bring your pamphlets, business cards, petitions, and flyers to band with our group, and others.

We look forward to meeting you!
