Muslim Mosque

**Arabesque Art Work**

Used to decorate the ceilings and walls, these are repeating patterns that symbolise the infinite nature of God.
Domes are seen on the top of Mosques. They represent the universe and help keep the building cool.
Indicates the direction of the Islamic Holy city, Mecca. Muslims must face in this direction when they pray.
Minarets

Tall towers near or attached to the Mosque. Used by the muezzin to give the call to prayer.
Minbar

A raised platform from which the Imam delivers his sermon. This is the Islamic equivalent of a pulpit.
Muslim Mosque

**Sahn**

Enclosed courtyard with a symmetrical pool or fountain. Used to wash before prayer.
