

ARMY NURSE CORPS ASSOCIATION

2010 SCHOLARSHIP PROGRAM

The Army Nurse Corps Association (ANCA) was founded as the Retired Army Nurse Corps Association in 1997. Membership is comprised of Army Nurse Corps officers from the Active Army, Army National Guard, or the Army Reserve. They may be currently serving, retired or honorably discharged from one of these components of the US Army. One of the Association's major programs is the Education Fund.

The purpose of the Army Nurse Corps Association Education Fund is to award scholarships to students attending accredited baccalaureate or graduate nursing or anesthesia programs. Students attending other accredited nursing programs may also be eligible.

In 2010, the scholarships will be awarded in memory of Captain Gussie M. Jones, AN, who died of non-battle related causes in Iraq. She was the first African-American Army Nurse to die while assigned to a theater of operations.

General Information

ANCA scholarships are \$3,000 per selected applicant. All applications are due by **April 1, 2010** and will be reviewed by the ANCA Education Committee. Selected students and their school will be notified within a few weeks. Scholarship funds are sent to the school on behalf of the student and not sent directly to the student. Prior arrangements will be made with the student and the school to ensure that the funds are available to the student. The application process requires close collaboration between the student and the school.

The Army Nurse Corps Association does not have an official relationship with the US Army, the Army Nurse Corps or the Reserve Officer Training Corps. Therefore, **there is not a military service obligation** for the student receiving this scholarship. Scholarship ROTC students are not eligible.
