

College of Nursing, University of Missouri - St. Louis
PhD Nursing Program
Application Checklist

The Deadline for Submitting Complete Applications is April 1

(Please note: Applications received after the deadline may be considered if space is available.)

Please complete the following and return to the University of Missouri - St. Louis Graduate Admission Office, One University Blvd., St. Louis, MO 63121:

1. _____ UMSL Application for Admission to Graduate School
2. _____ Request transcripts from each college or university that you have attended. These must be sent directly to the UMSL Graduate School. We cannot accept copies.
3. _____ Graduate Record Examination report should be sent to the Graduate School by ETS.
4. _____ Application fee.

Please complete the following and return these items to the College of Nursing, Student Services Office

1. _____ College of Nursing PhD Supplemental Application: .Your essay should include your reasons for undertaking a PhD and your nursing research goals.
2. _____ Two reference forms. The respondent may be a current or former employer, a faculty member, or someone whom you have known on a professional basis. An electronic reference form is available at:
<http://www.umsl.edu/divisions/graduate/pdf/recmmdn.pdf>
Please have the respondent mail or email the completed form to Veronica Hayes, Senior Academic Advisor.
3. _____ A copy of your current RN license issued by your US state of residence or country of residence.

International applicants must also complete the following:

1. _____ Report of TOEFL test (a minimum score of 550 is preferred).
2. _____ International students must also meet the minimum requirements and apply through the International Student Services <http://www.umsl.edu/~intelstu/>

Incomplete applications will not be considered. When all application materials have been received and reviewed, you may be contacted for an interview.

If you have any questions regarding the application process or submission of required materials you may contact:
