Dr. Adell Patton–

Thank you so much for your recent presentation for the African American Studies Program's Fall Lecture Series. Your lecture on the Jim Crow era in Eastern Arkansas was both informative and engaging and was greatly appreciated by students and faculty alike. The African American Studies Program truly benefited from your participation, and we look forward to hearing more about your research in the future!

Thank you again,

Sincerely,

A handwritten signature in dark ink, appearing to read "Linda Heywood", written over a circular stamp or watermark.

Linda Heywood  
Director, African American Studies
