SCIENCE, MATHEMATICS OR ENGINEERING SCHOLARSHIPS

ATTEND THE 39TH ANNUAL MISSOURI JUNIOR SCIENCE, ENGINEERING AND HUMANITIES SYMPOSIUM MARCH 15-17, 2012 ON THE UNIVERSITY OF MISSOURI-ST. LOUIS CAMPUS!

- Eligible for university scholarships, awards and a chance to attend the National Symposium – totaling more than \$150,000!!!
- Hear world and nationally-known scientists speak on their research.
- Visit laboratories of practicing university and industrial scientists.
- Talk informally to counselors and scientists about career opportunities.

Senior students submitting two, stapled copies of original research papers for presentation will receive first consideration. There will be an opportunity to attend for those who do not submit papers but rank high on other criteria on the application form (available on our website).

EXPENSES

Through a grant from the U.S. Armed Services Research Offices, selected students and teachers will be furnished food and lodging. Groups of 3-5 students and 1 teacher are encouraged! Sorry, the grant does not allow reimbursement for travel expenses. You are encouraged to seek financial assistance for travel from your school district or local service organizations such as Kiwanis, Lions, Rotary, Jaycees, etc. Some students and teachers may want to attend regardless of the criteria and may do so by paying a **\$145 fee** to cover all expenses for the three-day event. Fees cannot be returned after February 15.

CONTACT:

Dr. Charles R. Granger, Director or
