Johnson County Office (JCO) has an opening for a full-time, 40 hours, Youth Outpatient Counselor/Therapist - IPS (Intensive Placement Stabilization). This will be based out of our Vienna, Illinois office.

Minimum Qualifications: Bachelor’s Degree in Human Services and qualifies as a MHP required. Master’s degree is strongly preferred. Experience/expertise in trauma therapy or working with the child welfare system also preferred.

Job Responsibilities: Travels to off-site services. Participates in after hours and day call crisis rotation. Schedules evening appointments as required. Maintains a valid driver’s license and vehicle liability insurance. Internees and evaluates consumers, establishes diagnosis. Develops treatment plan collaboratively with consumers by defining goals, specific outcomes and time-frames for treatment. Monitors consumer’s behavior and progress. Intervenes therapeutically to change attitudes, beliefs and behaviors of consumers to improve individual and family level of functioning. Provides crisis intervention to stabilize consumer’s condition by utilizing short-term crisis intervention techniques and/or referral to other support services. Maintains networking and referral contacts with other human service providers both internally and externally. Coordinates with referring OCS staff regarding care through participation in Child and Family Team Meetings and submission of monthly service reports. Carries a caseload as assigned supervisor. Enters client information on the OCS Database in a timely manner according to OCS Plan. Plan. Facilitates comprehensive consumer care by providing case management services and foster parent support services. Facilitates recreation/socialization and cultural activities for consumers which provide enjoyable outings that prepare and encourage them to engage in activities independent of the agency and provide respite to families. Provides and arranges transportation services to consumers which they translate to their natural environment. Demonstrates active involvement in supervision and clinical staffings. Ability to screen, assess and provide interventions for consumers that are exhibiting symptoms of trauma. Participates in agency meetings, committees and special projects. Reviews annual trauma informed training. Identifies professional goals and enhances job-related skills through a written staff development plan. Demonstrates knowledge of rules, regulations and standards of programs and agency policies. Demonstrates constructive involvement in the community that will reflect positively and market the agency. Records and documents consumer treatment by following established policies and procedures. Completes various administrative forms to assure timely and accurate data collection in accordance with agency policies and procedures.

Skills and Knowledge: Counseling theory and practice, trauma informed care, diagnosis and assessment, case management processes, area resources/service systems, written and oral communications, crisis intervention/conflict resolution, knowledge of family therapy, child development, ability to relate to children/adults, knowledge of foster care placements and general knowledge of the child welfare system, Medicaid Administrative Rule 132, word processing and basic computer skills. IPS is a program working with OCS youth in foster placements that are at risk of being disrupted. The role of this position is to access the youth and family, assess their professional goals and enhances job-related skills through a written staff development plan. Demonstrates knowledge of rules, regulations and standards of programs and agency policies. Demonstrates constructive involvement in the community that will reflect positively and market the agency. Records and documents consumer treatment by following established policies and procedures. Completes various administrative forms to assure timely and accurate data collection in accordance with agency policies and procedures.
