

Certificate in Advertising

Students may earn a Certificate in Advertising without having a BA or a BS. You may receive the Certificate in Advertising by completing 15 hours of selected course work and 3 hours of an internship or a practicum with a GPA average of 2.0 or better. Nine of the 18 hours must be taken in residence at UM-St. Louis. Courses may not be taken on a satisfactory/unsatisfactory basis. Before you begin the course work, contact Dr. Kristy Tucciarone at 314-516-4853 or tucciaronek@umsl.edu.

When you have completed the requirements for the certificate, the coordinator will notify the university registrar and the college from which you will graduate. The Certificate in Advertising will be noted on official transcripts and a certificate will be mailed to you. Students who have graduated before completing the Certificate in Advertising will receive the certificate in the mail and will have the certificate entered in their official transcripts.

If students do have a selected major such as Business, Marketing, Communication, Graphic design and/or English, they may choose to compliment their study and career outlook.
