**DEGREE NOTES:**

\* Approved Elective courses should always be chosen based on your major and the transfer institution. If a student shows computer literacy proficiency skills through testing, the *CIS 124 Introduction to Data Processing* may be substituted by an Approved Elective course.

\*\* Courses must be selected from a specific list to satisfy degree requirements. Please see your academic advisor for more information.

A minimum of 120 hours is required for the Bachelor of Science in Economics.

Free Elective hours do not count towards the total required for graduation at the University of Missouri-St. Louis.

Students completing a degree from a Missouri community college that includes a CBHE approved general education core will be allowed transfer credit of more than 64 hours only if the additional lower division credits are applicable to the baccalaureate degree or are prerequisites for upper division courses in the major.

A maximum of 60 hours may transfer without the completion of a degree including a CBHE approved general education core.

Please seek advisement from your Jefferson College Academic Advisor for assurance of Associates degree completion.

**IT IS IMPORTANT TO CONTACT AN UMSL TRANSFER COORDINATOR EACH SEMESTER:**

Susan Bateman, University of Missouri- St. Louis Transfer Coordinator, (636) 797-3000: ext. 244.
