DEGREE NOTES:

* Jefferson College students can complete a foreign language sequence in French or Spanish for satisfactory equivalence and completion of the UMSL Foreign Language requirement. It is **strongly** recommended that **all** foreign language proficiency courses be completed at Jefferson College or at UMSL. If the proficiency sequence is incomplete at the time of transfer, students will be required to take the UMSL Foreign Language Placement exam before being permitted to take additional foreign language courses.

** Approved Elective courses should always be chosen based on your major and the transfer institution. If a student shows computer literacy proficiency skills through testing, the *CIS 124 Introduction to Data Processing* may be substituted by an Approved Elective course.

+ Courses should be selected under consultation of a University of Missouri- St. Louis academic advisor.

A minimum of 120 hours is required for the Bachelor of Arts in History.

Free Elective hours do not count towards the total required for graduation at the University of Missouri-St. Louis.

Students completing a degree from a Missouri community college that includes a CBHE approved general education core will be allowed transfer credit of more than 64 hours only if the additional lower division credits are applicable to the baccalaureate degree or are prerequisites for upper division courses in the major.

A maximum of 60 hours may transfer without the completion of a degree including a CBHE approved general education core.

Please seek advisement from your Jefferson College Academic Advisor for assurance of Associates degree completion.
