If the proficiency sequence is incomplete at the time of transfer, students will be required to take the UMSL Foreign Language Placement exam before being permitted to take additional foreign language courses.

120 hours are required for the BA in Political Science.

Students completing an Associate in Arts or and Associate in Applied Science degree from a Missouri community college that includes a CBHE approved general Education core will be allowed transfer credit of more than 64 hours only if the additional lower division credits are applicable to the baccalaureate degree or are prerequisites for upper division course in the major.

Maximum of 60 hours may transfer without an AA

Please seek advisement from your JC Academic Advisor for assurance of AA completion
