## **DEGREE NOTES:**

\* SCC students can complete a 12 hour foreign language sequence in French, German, or Spanish for satisfactory equivalence and completion of the UMSL 13 hour Foreign Language requirement. It is **strongly** recommended that **all** foreign language proficiency courses be completed at SCC or at UMSL. If the proficiency sequence is incomplete at the time of transfer, students will be required to take the UMSL Foreign Language Placement exam before being permitted to take additional foreign language courses.

\*\* Approved Elective courses should always be chosen based on your major and the transfer institution.

A minimum of 120 hours is required for the Bachelor of Arts in Anthropology.

Free Elective hours do not count towards the total required for graduation at the University of Missouri-St. Louis.

Students completing a degree from a Missouri community college that includes a CBHE approved general education core will be allowed transfer credit of more than 64 hours only if the additional lower division credits are applicable to the baccalaureate degree or are prerequisites for upper division courses in the major. The 39 Hour General Education block of prior to Fall 2002 will not be accepted as meeting MO General Education requirements effective Fall 2008.

A maximum of 60 hours may transfer without the completion of a degree including a CBHE approved general education core.

Please seek advisement from your St. Charles Community College Academic Advisor for assurance of Associates degree completion.
