Because the Bachelor of Music program can vary according to the selected Emphasis Area, students majoring in this program should plan each semester after transferring to the University of Missouri- St. Louis under the guidance of a faculty advisor in the Music Department.

**DEGREE NOTES:**

\* Approved Elective courses should always be chosen based on your major and the transfer institution.

A minimum of 120 hours is required for the Bachelor of Music.

Free Elective hours do not count towards the total required for graduation at the University of Missouri-St. Louis.

Students completing a degree from a Missouri community college that includes a CBHE approved general education core will be allowed transfer credit of more than 64 hours only if the additional lower division credits are applicable to the baccalaureate degree or are prerequisites for upper division courses in the major.

A maximum of 60 hours may transfer without the completion of a degree including a CBHE approved general education core.

Please seek advisement from your SLCC Academic Advisor for assurance of Associates degree completion.
