## **DEGREE NOTES:**

\* MATH 112 College Algebra is the required prerequisite for MATH 113 Finite Math for BUS/SS.

**\*\* Effective FS2006 - BA 1800, Computers and Information Systems, will no longer satisfy the information systems (IS) core competency. BA 1800 will continue to be counted as a lower division business elective applicable to any undergraduate business degree. A new course, BA 2800, Information Concepts and Applications, will now be required. If a student has completed BA 1800 or its transfer equivalency prior to Fall 2006, s/he will have satisfied the core competency. If BA 1800 or its transfer equivalency has not been completed prior to Fall 2006, the student will be required to take BA 2800.**

\*\*\* Approved Elective courses should always be chosen based on your major and the transfer institution.

+ Courses to be selected in consultation with student's UM- St. Louis faculty advisor.

++ Two global awareness courses are to be selected from an approved list maintained in the Office of Undergraduate Academic Advising in the College of Business Administration.

Minimum of 120 hours required for the BS in Accounting

Students completing an AA/AS degree from SWIC that includes the IAI approved general education core will be allowed transfer credit of more than 64 hours only if the additional lower division credits are applicable to the baccalaureate degree or are prerequisites for upper division courses in the major.

Maximum of 60 hours may transfer without AA/AS degrees

Please seek advisement from your SWIC Counselor for assurance of completion of the Associate Degree

**Students living in the Illinois counties of Madison, Monroe, St. Clair, and Jersey are eligible for the in-state tuition rate.**
