Interested in learning how to better utilize the classroom technology on Campus? Then come and join us for the Faculty Training Session!

Time and Location: February 9th from 1:30pm-3:00pm in SSB 134

Visit www.umsl.edu/training to reserve your spot today!

Learn how to:

✓ Integrate the instructor computer and projector into your teaching style

✓ Control additional technology equipment in your classroom, including CPS, Smartboard and Mimio

✓ Control the students’ computing environment using LanSchool / ARD

✓ Utilize DVD’s, VHS tapes, CD’s and USB drives in the classroom

✓ Access your saved files from anywhere, on or off campus

✓ Reserve technology classrooms and audiovisual equipment

✓ …and more!
