

Articulation Agreement Between Saint Louis Christian College And The Curators of the University of Missouri on Behalf of the University of Missouri- St. Louis

This document specifies the terms for a transfer alliance between the University of Missouri-St. Louis (hereafter referred to as UMSL) and St. Louis Christian College (hereafter referred to as SLCC) that is intended to benefit students at both institutions. This articulation agreement will lead to the awarding of college credit by UMSL for courses successfully completed by students at SLCC.

This articulation agreement is intended to prepare SLCC students for the UMSL baccalaureate degree. To insure the SLCC student has maximized the transferability of courses in the current Associate of Arts in General Studies, the student must follow the recommended plan of study attached.

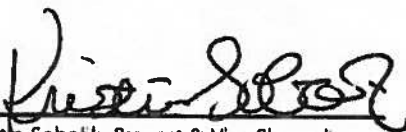

The course plan attached is specific to students wishing to transfer to UMSL and the SLCC transcript will be so noted upon degree completion. This agreement would be effective with the 2017-2018 academic year. Additional copies of this agreement may be requested through the UMSL Office of Transfer Services and Off-Campus Sites, 351 MSC, 314-516-5162. This program articulation agreement is hereby entered into on 9/20/2017.
