And  
The Curators of the University of Missouri on behalf of  
The University of Missouri – St. Louis**

**AAS Human Services to Bachelor in Social Work**

**Overview:**

This formal program-to-program articulation agreement is made and entered into by the Curators of the University of Missouri on behalf of the University of Missouri – St. Louis, hereinafter after referred to as UMSL, and the Junior College District of St. Louis, herein after referred to as STLCC. By this agreement, STLCC and UMSL express a shared commitment to increasing opportunities for student access to and success in higher education. By clarifying transfer policies and procedures, which assure articulation between programs, the institutions seek to assist students by creating clear pathways to baccalaureate degree completion.

**Purpose:**

This program- to- program agreement provides STLCC students the opportunity for the most efficient credit transfer to complete the UMSL Bachelor of Social Work Degree .

**Conditions of Transfer:**

**Section 1: Admissions and Matriculation**

STLCC students maintaining continuous enrollment under this agreement will be afforded the same treatment and protection as UMSL students.

Criteria for acceptance into the UMSL undergraduate degree program will be the same for transfer as for UMSL students.

STLCC, upon request of students, will provide transcripts to UMSL through its Central office. The transcript of students transferring from STLCC will be evaluated by the UMSL Degree Audit System (DARS) office and Social Work Degree Program. Transfer students from STLCC will have access to financial aid, scholarships, and student services on the same basis as UMSL students.

Minimum grade standards for academic progress and graduation from STLCC will be subject to no further review by UMSL.

UMSL will apply the same academic progress and graduation standards to STLCC transfer students as those applicable to UMSL students.

## **Section II: Transfer of Credit**

STLCC and UMSL agree that, in accordance with the CBHE Credit Transfer Guidelines 2005, “AA, AS, and AAS transfer students may choose to complete additional lower-division requirements at two-year institutions to meet the lower-division prerequisites and/or lower-division graduation requirements established by the baccalaureate institution.

To clarify, students may transfer more than 64 credit hours for lower division courses from either Missouri associate degree-granting or baccalaureate degree-granting institutions. Any additional lower division course credits above 64 credit hours will be accepted in transfer if the credits are applicable to the baccalaureate degree or are prerequisites for an upper division course in the major.”

STLCC and UMSL agree that to ensure a complete and seamless transfer of credits for A.A.S - HMS students, students are strongly encouraged to complete a STLCC CBHE approved 42 hour general education block prior to transfer to UMSL.

STLCC and UMSL agree that students completing the course grouping of STLCC HMS 100, HMS 101 and HMS 102 with a **grade of B- or better in two of the three courses, a grade of C- or better in the third** will receive credit for UMSL SW 2000, SW 2001 and SW 2200.

STLCC and UMSL agree that *STLCC HMS111 Group Practice in Human Services, HMS 201 Workplace Learning I: Human Services, HMS 202 Workplace Learning II: Human Services; HMS 203 Human Services Practicum I and HMS 204 Human Services Practicum II credits* will be accepted in transfer as approved electives for the degree but not for the UMSL Social Work major. To be in compliance with program accreditation requirements, all UMSL Social Work students must complete the required practicum courses at the 3000/4000 level.

STLCC and UMSL agree that all students wishing to major in Social Work are admitted to the University as Pre-Social Work. Students should apply for formal admission to the Social Work program upon completion of related areas and concurrent enrollment in Social Work 3100.

## **Program Plan:**

To insure the STLCC AAS Human Services student is ready to enroll in the UMSL upper level BSW courses, the student must follow the recommended plan of study attached.

## **Terms of Agreement:**

This agreement is made and entered into in the academic year 2012 and remains in force unless changed in writing by mutual agreement of both parties. The agreement may be amended at any time with the approval of both parties and is subject to regular review to assure currency with the respective degree requirements. Should either party desire to discontinue this agreement, advance notification of two years will be required.
