The Information in this Transfer Guide is in accordance with the published 2022-2023 Course Catalogs of both UMSL and SCC

This Guide is intended for the use of students who plan on transferring from St. Charles Community College (SCC) to the University of Missouri – St. Louis (UMSL) to pursue a Bachelor of Science in Nursing through one of the Pre-Licensure programs. This guide intended for use under advisement of an UMSL Transfer Advisor.

For more information on the Bachelor of Science in Nursing, please visit the UMSL College of Nursing website. Also, it is highly recommended that prospective Nursing students meet with the UMSL College of Nursing as early as possible to make sure that they have all information relevant to their degree progress. The UMSL College of Nursing can be reached at (314) 516-6066 to schedule an information session, or contact the College of Nursing Recruitment Coordinator, Kelly Hogenmiller at kelly.hogenmiller@umsl.edu for additional assistance.

Pre-Clinical Sequence
The following requirements must be completed for a student to be eligible to begin Nursing Clinical coursework at UMSL. Included in this guide are courses that can fulfill these requirements in transfer. It is not recommended for a prospective Pre-Licensure Nursing student to pursue an Associate’s degree and should, instead, complete only this exact list of requirements.

Clinical Application
A student should begin the application process to UMSL and their chosen Clinical program at the start of their final semester of their Pre-Clinical courses and must meet the following education standards:
- Completion of all course requirements listed below.
- B- or higher in each of the core science prerequisites.
- Minimum cumulative GPA of 2.75 on a 4.0 scale, including all transferred and UMSL coursework.
- Completion of all Core Science courses within 5 years prior to application to Clinical programs.
- Have not more than one repeat per required course and in no more than 3 total in courses highlighted in green.
- Admission to UMSL and submission of a Clinical program application before posted deadlines.

Students must complete the following UMSL courses (at UMSL) prior to starting the Clinical program:
- NURSE 1000 Cultural Diversity in Health Care
- NURSE 1050 Communication in the Nursing Profession*please see note at end of guide
- NURSE 2000 Nutrition and Health *please see note at end of guide
- NURSE 2050 Pathophysiology
- PHIL 2256 Bioethics

Students may opt to dual enroll with SCC/UMSL while taking these courses or take the four courses at UMSL in the semester prior to the Clinical Program.

Note: Only a certain number of students are accepted into the Nursing Clinical programs each semester. Entrance is extremely competitive and is based on the supplemental Nursing application, which is holistic in nature, and includes gpa, recommendation letters, and essays.
