

# Business Administration BS

## with an emphasis in Entrepreneurship

The BSBA with an emphasis in Entrepreneurship provides students with the knowledge, abilities, and skills required to create social and economic value throughout their careers. By developing core competencies related to opportunity recognition, idea generation, and entrepreneurial management, students will be empowered to form and foster effective teams, develop and implement evidence-based business models, and more at new and existing businesses.

### Career Outlook

The career outlook for entrepreneurially minded students is strong; from 2016 to 2026, the number of career opportunities related to entrepreneurship is expected to increase by 7.9%. Whether at a startup or at an established business, the skills our graduates develop while earning the BSBA with an emphasis in Entrepreneurship greatly enhance a graduate's professional marketability and performance throughout their career.
