

CRIMINOLOGY & CRIMINAL JUSTICE NEWSLETTER

WELCOME FROM THE CHAIRPERSON

As the Chair of the Department of Criminology and Criminal Justice, I welcome you to our 2012 Newsletter that has been masterfully produced by Amanda Porterfield, Administrative Assistant in CCJ. To familiarize yourself with the Department, I encourage you to visit our website (<http://www.umsi.edu/ccj/>) and to review prior newsletters available on the website. These informative newsletters highlight departmental activities and achievements each year.

This fall we welcome two new faculty members: Professor Michael Campbell (Ph.D. from the University of California, Irvine) and Professor Matt Vogel (Ph.D. from the University at Albany). We are extremely pleased to be joined by these two young scholars. We also welcome a third new faculty member who will join us in January: Chief Dan Isom of the St. Louis Metropolitan Police Department will assume a new role and the title of Professor Isom (Ph.D. from UMSL) in time for the spring semester. While we welcome these three new colleagues, we say goodbye to another; Dr. Kristy Matsuda completed her three-year research professorship and has returned to California.

The CCJ faculty continues to publish in the leading journals, receive federal research grants, and garner awards. Professor Janet Lauritsen is this year's recipient of the Chancellor's Award for Excellence in Research and Creativity, becoming the fifth member of the Department to receive this prestigious award. Professor Kristin Carbone-Lopez was recognized by the Missouri House of Representatives for her outstanding contributions to raising awareness of domestic partner violence.

The Department continues to increase its online course offerings for students enrolled in the undergraduate program. With the scheduled development of CRIMIN 2220 Statistics, we will reach our goal of offering online all courses required to complete the BS degree in Criminology and Criminal Justice. Please see the list of online courses under Bachelor's Program News on page 3.

Best wishes for a productive and informative academic year.

Finn Esbensen, Ph.D.
