College of Arts & Sciences

3,900

Undergraduate & Graduate Students

570

Full-time & Part-time Faculty

University of Missouri-Saint Louis
Quality • Metropolitan • Education

College of Arts & Sciences

Points of Pride

The Department of Anthropology has the only endowed professor in museum studies in the nation.

The Department of Chemistry and Biochemistry produces more graduates than any other campus in the UM System.

The Department of Economics offers the only academically based forensic economics program in the nation.

University of Missouri-Saint Louis
Quality • Metropolitan • Education

College of Arts & Sciences

Points of Pride

The International Center for Tropical Ecology has built the nation's largest and most diverse program focused on biology and conservation.

The Department of Physics and Astronomy produces more baccalaureate and master's graduates than any other campus in the UM System.

The Department of Psychology offers the state's only doctoral program in industrial/organizational psychology.

University of Missouri-Saint Louis
Quality • Metropolitan • Education

College of Business Administration

2,900

Undergraduate & Graduate Students

110

Full-time & Part-time Faculty

University of Missouri-Saint Louis
Quality • Metropolitan • Education

College of Business Administration

Points of Pride

The College's International Business program was ranked 18th nationally by U.S. News & World Report.

The College offers the state's only doctoral program in information systems.

The College introduced the state's first online MBA program.

University of Missouri-Saint Louis
Quality • Metropolitan • Education

College of Education

Points of Pride

The College is the only education program in the nation with 14 endowed professors.

The College issues more certifications to teaching professionals than any other university in the state.

The College's "Special Education Transition Program" is the state's largest alternative certification program.

University of Missouri-Saint Louis
Quality • Metropolitan • Education

College of Fine Arts & Communication

920

Undergraduate & Graduate Students

100

Full-time & Part-time Faculty

University of Missouri-Saint Louis
Quality • Metropolitan • Education

College of Fine Arts & Communication

Points of Pride

The College's Arianna String Quartet is the only professional string quartet in residence at a St. Louis-area university.

The College's musical ensembles have performed at Carnegie Hall, Kennedy Center, Royal Festival Hall in London and Sacre Coeur in Paris.

University of Missouri-Saint Louis
Quality • Metropolitan • Education

College of Optometry

160

Professional Students

40

Full-time & Part-time Faculty

University of Missouri-Saint Louis
Quality • Metropolitan • Education

College of Optometry

Points of Pride

The College operates the only optometric education program in the state.

Nearly 40% of the state's licensed optometrists graduated from UMSL.

The College operates four eye-care clinics in St. Louis, St. Louis County, St. Charles County and East St. Louis.
