Chancellor's Message

Dear UMSL Graduates,

I am honored and thrilled to be able to congratulate you on the remarkable milestone that is your graduation from the University of Missouri–St. Louis. Today is a day for celebration, tremendous joy and reflection – not to mention well-earned excitement about the future. Please, take it all in. This is your day!

I know that I speak for everyone at UMSL when I say we could not be happier to share in this celebration with you. Please know that everything you've overcome, worked for and through – especially through this extraordinary time – has not gone unnoticed. As we recognize your achievements, know that we are in awe of each of our graduates and we are all honored to celebrate the conferral of your degree.

My wish for you, and for your family and friends, is that you are filled with pride today. I hope you feel the recognition you've rightly earned, and I hope you feel content in the knowledge that what you've achieved in your time here is a foundation for the rest of your future successes.

May you go forward ready to transform your life into the one you dream of – and ready to help others do the same.

Best wishes and sincere congratulations,

Kristin Sobolik
Chancellor

About the University

The University of Missouri–St. Louis

Much like our graduates, the University of Missouri–St. Louis is also a success story.

As the largest public research university in Missouri's most populous and economically important region, the University of Missouri–St. Louis provides excellent learning experiences and leadership opportunities to a diverse student body whose influence upon graduation is immense. No other university brings more to bear on the advancement of St. Louis than UMSL – which is fitting for a campus created just for that purpose.

In 1963, the university opened on the grounds of a closed golf course in Normandy, Missouri, out of a need to bring affordable, public education to the region. It had one building, a modest faculty and fewer than 700 students. Today, UMSL is spread across 450 acres of rolling hills in suburban St. Louis County and enrolls nearly 15,000 students. While UMSL's more than 108,000 graduates are located in all 50 states and nearly 100 countries around the world, their greatest impact is felt right here in St. Louis where more than 75,000 alumni live, work and thrive in the region.

UMSL is a Tier 1 research university – one of four in Missouri – and ranks No. 118 nationally among all public universities. Last year, UMSL was included in U.S. News & World Report's inaugural "Top Performers for Social Mobility" rankings which measures how well universities educate and graduate Pell Grant eligible students. UMSL remains among the nation's top performers in this area in this year's annual rankings. The university is also a five-time recipient of the Higher Education Excellence in Diversity Award from Insights into Diversity magazine – the only Missouri university to earn this prestigious recognition repeatedly. Forbes Magazine has even named UMSL one of 'America's Best Colleges.'

For nearly 60 years, the University of Missouri–St. Louis has been a beacon of hope, a force for good and a leader in the pursuit of excellence in education, meaningful research and community service. As this mission continues into the future, everyone at UMSL remains committed to providing much more than exceptional educational experiences.

We transform lives.

As the metropolitan, land-grant, research institution serving the most diverse and economically important region in Missouri, the University of Missouri–St. Louis delivers exceptional educational, research and engagement experiences that inform, prepare, challenge and inspire.

Academic excellence.

UMSL's fundamental purpose is to educate and graduate diverse students as they seek different and better lives. Our academic programs emphasize student growth through research, internship opportunities, and one-on-one attention.

Our eight colleges and schools, as well as our joint engineering partnership, are anchored by our award-winning faculty and nationally-ranked programs, offering each student a high quality, invaluable and diverse educational opportunity.

About Commencement

Banners In addition to the coloring presented in the academic attire, each college is also represented on the university's commencement banners. The side panels of the banners are red and gold, the colors of the University of Missouri–St. Louis. The color of the center section, which bears the seal of the university, represents the academic college.

Candidates The commencement program is a roster of candidates from the Office of the Registrar, not an official list of graduates. The appropriate degrees and honors will be awarded to candidates who have successfully completed all requirements by the date of commencement.

Commencement is the ceremony to celebrate a true milestone in each candidate's life and those of their guests. Excitement, joy and enthusiasm is expected and welcomed!

Degrees with Distinction A degree with distinction in research (RCH), scholarship (SCH) or creativity in the arts (ART) is an honor that recognizes a student for outstanding accomplishments in research and/or other creative endeavors. To graduate with a degree of distinction, students must have obtained 75 credit hours, a minimum 3.5 GPA, a faculty mentor, and have begun research, scholarship or creative endeavors of exceptional quality.

Latin Honors High scholastic achievement for undergraduate degree candidates is indicated by Latin honors.

To graduate with Latin honors, students must have attended UMSL for 56 graded hours and must meet the GPA qualifications listed below.

- *** summa cum laude: top 3% grade point average
- ** magna cum laude: next 5% grade point average
- * cum laude: next 12% grade point average

See the official University Bulletin for more information. Undergraduate degree candidates with Latin honors will be wearing red and gold tassels to signify their honors.

Student Government Association (SGA)

Representative A student in a leadership position within the campus SGA program who leads the Platform Party in the academic procession.

The Seal of the University of Missouri

The seal was adopted March 31, 1903. The straight perpendicular lines on the printed shield denote courage. The grizzly bear of Missouri is walking leisurely with face turned toward the observer. A new moon is outlined in blue, and in the lower right corner appears the arms of the United States of America. Appearing on an open book is the motto of the university, Salus Populi, The Welfare of the People. Sigill Universitatis Missouriien MDCCCXXXIX means the seal of the University of Missouri 1839, the year the university was established as the first state university west of the Mississippi River. The seal can be seen on the UM System flag located on the stage, to the right of the American flag.

Commencement Speaker

Marcela Manjarrez

senior vice president,
chief communications officer,
Centene Corporation

MARCELA MANJARREZ is senior vice president, chief communications officer for Centene Corporation. In this capacity, Manjarrez oversees all strategic communications, media and public relations for the company, and acts as its main media spokesperson. She also manages the Centene Charitable Foundation. Prior to joining Centene, she served as vice president, public affairs for the Federal Reserve Bank of St. Louis.

Manjarrez earned a bachelor's degree in economics from the University of Missouri–St. Louis and a master's degree in economics from Washington University in St. Louis.

She serves on the boards or as an advisory board member for many local and national organizations. She has also been recognized by the St. Louis Business Journal as one of the Most Influential Business Women and as a Diverse Business Leader. Latino Leaders magazine recognized her as one of the Top Latino Executives in Corporate America, one of the Top Latinos in C-Suite and one of the Top Latinos in Corporate America.

Commencement Speaker

Brian Williams

Missouri State Senator

BRIAN WILLIAMS was elected to the Missouri Senate in 2018 and represents the 14th Senatorial District in St. Louis County. Sen. Williams grew up in Ferguson, Missouri, and is currently the first black male to serve in the Missouri Senate in two decades.

Studying government and public health policy led Sen. Williams to pursue a career in public service. After graduating with a bachelor's degree from Southeast Missouri State University, a master's degree in public administration and legal studies from Washington University in St. Louis,

he went on to work for several years in the U.S. Congress as a congressional staffer. During this time, he oversaw the rollout of the Affordable Care Act (ACA) Marketplace in Missouri as a congressional ACA coordinator. Sen. Williams currently serves on the board of directors and advisory boards of numerous local institutions. He is also a proud member of Kappa Alpha Psi Fraternity, Inc.

Commencement Speaker

Akeem Shannon

founder and chief executive officer
of Flipstik

AKEEM SHANNON, Akeem Shannon is founder and CEO of Flipstik, which he founded in 2017 following a successful career in sales at multiple Fortune 500 companies. Shannon developed a patented, reusable adhesive that attaches to a phone's cover and can serve as a kickstand as well as be used to stick a phone to a flat surface. The product, called the Flipstik, allows users to complete tasks such as watching videos, taking selfies and using GPS hands free.

Shannon appeared on a November 2020 episode of ABC's "Shark Tank" and struck a deal with investor Lori Greiner. While the

show provided a propellant for Flipstik, Shannon says connections the startup has forged in St. Louis' entrepreneurship ecosystem are what have positioned it for long-term success. Following its "Shark Tank" appearance, Flipstik won a \$50,000 grant from local nonprofit Arch Grants and another \$50,000 in equity-free funding through its participation in the inaugural cohort of UMSL's Diversity, Equity and Inclusion Accelerator. Now, thanks to support from UMSL Accelerate, Flipstik will be available in major retailers starting 2022.

Commencement Speaker

Opal Jones

president and chief executive officer of DOORWAYS

OPAL JONES is president and chief executive officer of DOORWAYS, an interfaith non-profit organization in St. Louis that provides housing and related supportive services to people living with HIV/AIDS. She is the immediate past president of the National AIDS Housing Coalition in Washington D.C.

Jones has served on several state and local advisory committees including the Missouri Housing Trust Fund and the St. Louis Regional Health Commission. She is a two-time graduate of the University of Missouri—St. Louis, earning a bachelor of science in business administration in management

and organizational behavior in 2000 and a master of business administration in 2017. She received the university's Distinguished Alumni Award, the highest honor bestowed upon alumni. Jones also received the C-Suite, 40 Under 40 and Diverse Business Leaders awards from the St. Louis Business Journal. She also received the Spirit of Justice Award from the St. Louis Bar Association.

Commencement Speaker

Brittany Hogan

educator, equity consultant and community builder

BRITTANY HOGAN, a native of Chicago, is an award-winning educator who serves as the manager for the Center of Human Service Leadership at Delmar DivINe. Hogan holds a Bachelor of Arts in psychology from Hampton University and a Master of Social Work from Washington University in St. Louis. She previously served as the director of educational equity and diversity for the Rockwood School District. In that role, she directed the Voluntary Interdistrict Choice Corporation Program, managed the district social workers and social-emotional behavioral specialists and created the district's equity plan, "The Beloved Community." Hogan developed

and supported the district and school-based initiatives for both staff and students around educational equity, inclusion and social justice. In her current role with Delmar DivINe, Hogan helps to create a vibrant, innovative, collaborative community that enhances the value of co-location to tenants and the larger community.

Pierre Laclède Honors College

Students of the Pierre Laclède Honors College pursue any major they choose and complete either a two-year or a four-year honors program. Each student shares in a challenging and innovative curriculum, which occupies one-third of their undergraduate career.

The honors experience also requires independent study under the supervision of individual faculty. These projects include guided reading, supervised undergraduate research and/or academic- or career-related internships and public service projects. To this work, honors students bring their intelligence and a wide diversity of experience and values – among the college's most precious assets. Completion of the program marks a significant achievement.

UMSL Alma Mater
Heart of Missouri

(Words and Music by John Francis Dill and Diane Ceccarini)

Rising high between two rivers history yet to tell,
Stands an honored Alma Mater, our UMSL.
Came to seek more understanding for my life to be.
Found my need for knowledge answered gratefully by thee.

Dreaming dreams about tomorrow, as I've learned today.
Now this heart deep in Missouri seeks a better way.
When at last my journey's over may its value be,
That it honors state and nation but above all, thee.

UMSL
