## About the University

### The University of Missouri–St. Louis

Much like our graduates, the University of Missouri–St. Louis is also a success story.

As the largest public research university in Missouri's most populous and economically important region, UMSL provides excellent learning experiences and leadership opportunities to a diverse student body whose influence upon graduation is immense. No other university brings more to bear on the advancement of St. Louis than UMSL – which is fitting for a campus created just for that purpose.

In 1963, the university opened on the grounds of a closed golf course in Normandy, Missouri, out of a need to bring affordable, public education to the region. It had one building, a modest faculty and fewer than 700 students. Today, UMSL is spread across 450 acres of rolling hills in suburban St. Louis County and enrolls nearly 16,000 students. While UMSL's more than 105,000 graduates are located in all 50 states and nearly 100 countries around the world, their greatest impact is felt right here in St. Louis where more than 75,000 alumni live, work and thrive in the region.

UMSL is a Tier 1 research university – one of four in Missouri – and ranks No. 126 nationally among all public universities. Last year, UMSL was included in U.S. News & World Report's inaugural 'Top Performers for Social Mobility' rankings which measures how well universities educate and graduate Pell Grant eligible students. UMSL remains among the nation's top performers in this area in this year's annual rankings. The university is also a four-time recipient of the Higher Education Excellence in Diversity Award from Insights into Diversity magazine – the only Missouri university to earn this prestigious recognition repeatedly. Forbes Magazine has even named UMSL one of 'America's Best Colleges.'

For more than 50 years, the University of Missouri–St. Louis has been a beacon of hope, a force for good and a leader in the pursuit of excellence in education, meaningful research and community service. As this mission continues into the future, everyone at UMSL remains committed to providing much more than exceptional educational experiences.

### We transform lives.

As the metropolitan, land-grant, research institution serving the most diverse and economically important region in Missouri, the University of Missouri–St. Louis delivers exceptional educational, research and engagement experiences that inform, prepare, challenge and inspire.

### Academic excellence.

UMSL's fundamental purpose is to educate and graduate diverse students as they seek different and better lives. Our academic programs emphasize student growth through research, internship opportunities, and one-on-one attention.

Our nine colleges and schools, as well as our joint engineering partnership, are anchored by our award-winning faculty and nationally-ranked programs, offering each student a high quality, invaluable and diverse educational opportunity.

**Banners** In addition to the coloring presented in the academic attire, each college is also represented on the university's commencement banners. The side panels of the banners are red and gold, the colors of the University of Missouri—St. Louis. The color of the center section, which bears the seal of the university, represents the academic college.

**Candidates** The commencement program is a roster of candidates from the Office of the Registrar, not an official list of graduates. The appropriate degrees and honors will be awarded to candidates who have successfully completed all requirements by the date of commencement.

**Commencement** is the ceremony to celebrate a true milestone in each candidate's life and those of their guests. Excitement, joy and enthusiasm is expected and welcomed!

**Degrees with Distinction** A degree with distinction in research (RCH), scholarship (SCH) or creativity in the arts (ART) is an honor that recognizes a student for outstanding accomplishments in research and/or other creative endeavors. To graduate with a degree of distinction, students must have obtained 75 credit hours, a minimum 3.5 GPA, a faculty mentor, and have begun research, scholarship or creative endeavors of exceptional quality.

## Student Government Association (SGA) Representative

A student in a leadership position within the campus SGA program who leads the Platform Party in the academic procession.

## The Seal of the University of Missouri

The seal was adopted March 31, 1903. The straight perpendicular lines on the printed shield denote courage. The grizzly bear of Missouri is walking leisurely with face turned toward the observer. A new moon is outlined in blue, and in the lower right corner appears the arms of the United States of America. Appearing on an open book is the motto of the university, *Salus Populi, The Welfare of the People*. *Sigill Universitatis Missouriensis MDCCCXXXIX* means the seal of the University of Missouri 1839, the year the university was established as the first state university west of the Mississippi River. The seal can be seen on the UM System flag located on the stage, to the right of the American flag.

## Pierre Laclède Honors College

Students of the Pierre Laclède Honors College pursue any major they choose and complete either a two-year or a four-year honors program. Each student shares in a challenging and innovative curriculum, which occupies one-third of their undergraduate career.

The honors experience also requires independent study under the supervision of individual faculty. These projects include guided reading, supervised undergraduate research and/or academic-or career-related internships and public service projects. To this work, honors students bring their intelligence and a wide diversity of experience and values – among the college’s most precious assets. Completion of the program marks a significant achievement.

UMSL Alma Mater  
*Heart of Missouri*

(Words and Music by John Francis Dill and Diane Ceccarini)

Rising high between two rivers history yet to tell,  
Stands an honored Alma Mater, our UMSL.  
Came to seek more understanding for my life to be.  
Found my need for knowledge answered gratefully by thee.

Dreaming dreams about tomorrow, as I've learned today.  
Now this heart deep in Missouri seeks a better way.  
When at last my journey's over may its value be,  
That it honors state and nation but above all, thee.
