2022 Spring Commencement

UMSL Alma Mater

Heart of Missouri

(Words and Music by John Francis Dill and Diane Ceccarini)

Rising high between two rivers history yet to tell,
Stands an honored Alma Mater, our UMSL.
Came to seek more understanding for my life to be.
Found my need for knowledge answered gratefully by thee.
Dreaming dreams about tomorrow, as I’ve learned today.
Now this heart deep in Missouri seeks a better way.
When at last my journey’s over may its value be,
That it honors state and nation but above all, thee.

Dear UMSL Graduates,

I am honored and thrilled to be able to congratulate you on the remarkable milestone that is your graduation from the University of Missouri–St. Louis. Today is a day for celebration, tremendous joy and reflection – not to mention well-earned excitement about the future. Please, take it all in. This is your day!

I know that I speak for everyone at UMSL when I say we could not be happier to share in this celebration with you. Please know that everything you’ve overcome, worked for and through – especially through this extraordinary time – has not gone unnoticed. As we recognize your achievements, know that we are in awe of each of our graduates and we are all honored to celebrate the conferral of your degree.

My wish for you, and for your family and friends, is that you are filled with pride today. I hope you feel the recognition you’ve rightly earned, and I hope you feel content in the knowledge that what you’ve achieved in your time here is a foundation for the rest of your future successes.

May you go forward ready to transform your life into the one you dream of – and ready to help others do the same.

Best wishes and sincere congratulations,

Kristin Sobolik
Chancellor

About the University

The University of Missouri–St. Louis

Much like our graduates, the University of Missouri–St. Louis is also a success story.

As the largest public research university in Missouri’s most populous and economically important region, the University of Missouri–St. Louis provides excellent learning experiences and leadership opportunities to a diverse student body whose influence upon graduation is immense. No other university brings more to bear on the advancement of St. Louis than UMSL – which is fitting for a campus created just for that purpose.

In 1963, the university opened on the grounds of a closed golf course in Normandy, Missouri, out of a need to bring affordable, public education to the region. It had one building, a modest faculty and fewer than 700 students. Today, UMSL is spread across 450 acres of rolling hills in suburban St. Louis County and enrolls nearly 15,000 students. While UMSL’s more than 108,000 graduates are located in all 50 states and nearly 100 countries around the world, their greatest impact is felt right here in St. Louis where more than 75,000 alumni live, work and thrive in the region.

UMSL is a Tier 1 research university – one of four in Missouri – and ranks No. 118 nationally among all public universities. Last year, UMSL was included in U.S. News & World Report’s inaugural “Top Performers for Social Mobility” rankings which measures how well universities educate and graduate Pell Grant eligible students. UMSL remains among the nation’s top performers in this area in this year’s annual rankings. The university is also a five-time recipient of the Higher Education Excellence in Diversity Award from Insights into Diversity magazine – the only Missouri university to earn this prestigious recognition repeatedly. Forbes Magazine has even named UMSL one of ‘America’s Best Colleges.’

For nearly 60 years, the University of Missouri–St. Louis has been a beacon of hope, a force for good and a leader in the pursuit of excellence in education, meaningful research and community service. As this mission continues into the future, everyone at UMSL remains committed to providing much more than exceptional educational experiences.

We transform lives.

As the metropolitan, land-grant, research institution serving the most diverse and economically important region in Missouri, the University of Missouri–St. Louis delivers exceptional educational, research and engagement experiences that inform, prepare, challenge and inspire.

Academic excellence.

UMSL’s fundamental purpose is to educate and graduate diverse students as they seek different and better lives. Our academic programs emphasize student growth through research, internship opportunities, and one-on-one attention.

Our eight colleges and schools, as well as our joint engineering partnership, are anchored by our award-winning faculty and nationally-ranked programs, offering each student a high quality, invaluable and diverse educational opportunity.

The Seal of the University of Missouri
The seal was adopted March 31, 1903. The straight perpendicular lines on the printed shield denote courage. The grizzly bear of Missouri is walking leisurely with face turned toward the observer. A new moon is outlined in blue, and in the lower right corner appears the arms of the United States of America. Appearing on an open book is the motto of the university, Salus Populi, The Welfare of the People. Sigill Universitatis Missourien MDCCCXXXIX means the seal of the University of Missouri 1839, the year the university was established as the first state university west of the Mississippi River. The seal can be seen on the UM System flag located on the stage, to the right of the American flag.

About Commencement

Banners In addition to the coloring presented in the academic attire, each college is also represented on the university’s commencement banners. The side panels of the banners are red and gold, the colors of the University of Missouri–St. Louis. The color of the center section, which bears the seal of the university, represents the academic college.

Candidates The commencement program is a roster of candidates from the Office of the Registrar, not an official list of graduates. The appropriate degrees and honors will be awarded to candidates who have successfully completed all requirements by the date of commencement.

Commencement is the ceremony to celebrate a true milestone in each candidate’s life and those of their guests. excitement, joy and enthusiasm is expected and welcomed!

Degrees with Distinction A degree with distinction in research (RCH), scholarship (SCH) or creativity in the arts (ART) is an honor that recognizes a student for outstanding accomplishments in research and/or other creative endeavors. To graduate with a degree of distinction, students must have obtained 75 credit hours, a minimum 3.5 GPA, a faculty mentor, and have begun research, scholarship or creative endeavors of exceptional quality.

Latin Honors High scholastic achievement for undergraduate degree candidates is indicated by Latin honors.

To graduate with Latin honors, students must have attended UMSL for 56 graded hours and must meet the GPA qualifications listed below.

*** summa cum laude: top 3% grade point average
** magna cum laude: next 5% grade point average
* cum laude: next 12% grade point average

See the official University Bulletin for more information. Undergraduate degree candidates with Latin honors will be wearing red and gold tassels to signify their honors.

Commencement Speaker

DR. SEAN P. MULQUEENY is a proud native of St. Louis and alumnus of Normandy High School. He earned two academic degrees with honors from the University of Missouri Saint Louis and has practiced optometry in the area since 1991. He serves as externship preceptor and Adjunct Clinical Professor for UMSL Optometry and is Assistant Clinical Professor at the Pennsylvania College of Optometry at Salus University. A specialist in the management of ocular diseases and the co-management of refractive and cataract surgeries, Dr. Mulqueeny has won many prestigious awards, including the Award for Clinical Excellence in the Area of Ocular Disease and the Vision Service Plan Scholarship for Clinical Excellence.

He holds leadership positions with several industry professional organizations, including his current role as President of the M.D./O.D. Contact Lens Foundation of Saint Louis.

Dr. Mulqueeny is active in clinical research involving dry eye syndrome and serves on advisory boards of Allergan, Novartis, Alcon, Zeavision and others.

Dr. Mulqueeny is a former College Soccer All-American. In the early 1980s, he played professional soccer for the St. Louis Steamers. He lives in Town and Country with his wife Lisa and they have two sons; Brendan, who was recently married to Samantha; and Ryan.

Nicole Adewale LEED AP
Principal/Owner
ABNA Engineering, Inc.

As a co-founder of ABNA, NICOLE ADEWALE is highly involved in the day-to-day management of ABNA; which has grown from its humble beginnings in 1994 as a two-person firm, to more than 60 professionals who perform work throughout the Midwest. ABNA provides Structural, Land Surveying, Geotech, Construction Management, Testing & Inspection, and Civil Engineering Design Services for civil infrastructure, as well as industrial, educational, healthcare, and commercial projects. She holds a BS in Civil Engineering from the Georgia Institute of Technology, a BS in Urban Affairs from Harris Stowe State University, and is currently pursuing a Doctor of Education in Social Justice in Education at the University of Missouri–St. Louis.

One of Nicole’s greatest passions is opening doors of opportunity for young people to pursue careers in STEM. She fuels this passion through support of Alpha Kappa Alpha Sorority, FIRST LEGO League, The Ethics Project, the NAF Advisory Board for University City High School, Access Point, and the Chancellor’s Council for the University of Missouri–St. Louis. As a lifetime member of the National Society of Black Engineers (NSBE), she has helped raised over $100,000 for college scholarships through the St. Louis Gateway Chapter of NSBE. ABNA has also provided internships for dozens of students over the years, four of whom are full-time employees.

Nicole is married to her business partner Abe Adewale and they are the proud parents of four daughters, one of whom is an UMSL graduate and one daughter will matriculate to UMSL in the Fall.

Evelyn Moore is the director of engineering and chief engineer for the F/A-18E/F and EA-18G Programs for Bombers and Fighters in Boeing Defense, Space & Security (BDS). In this capacity, she is responsible for program technical excellence and supporting the achievement of the aircraft system performance requirements. Evelyn directs all recurring and non-recurring engineering efforts for the F/A-18 family of strike fighters.

Evelyn was previously the director of engineering for F/A-18 & EA-18G Mission Systems within the Boeing Strike, Surveillance & Mobility division. She was responsible for overall customer satisfaction, quality, cost, and schedule performance for avionics-related development and production activity for the tactical aircraft programs.

Moore joined The Boeing Company in 2004 after working as a manufacturing test engineer for electrical substation communications equipment at Distribution Control Systems in Hazelwood, Missouri. Moore holds Bachelor of Science degree in electrical engineering from the University of Missouri-St. Louis/Washington University Joint Engineering Program. Moore also has a Master of Science degree in engineering management and a graduate certificate in project management from Washington University. She completed the executive master of international business at St. Louis University in 2018.

She lives in St. Charles, Missouri with her husband Larry and has 3 children. She enjoys volunteering, reading, traveling and spending time with her family.

**Commencement Speaker**

**TERRY ELMENDORF** is a 35-year veteran of The Boeing Company. He is an accomplished financial executive with extensive global experience in overseeing and directing financial strategy, operations, initiatives, and personnel.

His most recent position was the Vice President and Chief Financial Officer of Boeing Global Finance Operations. In this role, Terry was responsible for Boeing’s international finance strategy to help drive sales globally while protecting the company’s interest. He oversaw the finances of Boeing offices and facilities around the world. This included operational businesses in support of defense and services sales and execution in Australia, the United Kingdom, Saudi Arabia and India. He also sat on numerous boards of international joint ventures and non-US legal entities.

In this role he was also responsible for driving optimal financial performance of the Boeing enterprise. Most recently, because of Covid-19 impacts, led a team that generated multi-billion dollar cost structure reduction, $1B in-year, to enable stronger financial liquidity of the company by working across the company executive leadership team.

Terry joined Boeing in 1986 and has held numerous Finance leadership positions in a broad range of programs and businesses.

Terry holds a Bachelor of Science degree in accounting and an MBA from the University of Missouri – St. Louis. He is a board member of the UMSL chancellor’s council, the Executive in Residence for the UMSL College of Business Administration, and a member of the National Contract Management Association as well as the International Association for Contract and Commercial Management.

Students of the Pierre Laclede Honors College pursue any major they choose and complete either a two-year or a four-year honors program. Each student shares in a challenging and innovative curriculum, which occupies one-third of their undergraduate career.

The honors experience also requires independent study under the supervision of individual faculty. These projects include guided reading, supervised undergraduate research and/or academic- or career-related internships and public service projects. To this work, honors students bring their intelligence and a wide diversity of experience and values – among the college’s most precious assets. Completion of the program marks a significant achievement.

UMSL Alma Mater

Heart of Missouri

(Words and Music by John Francis Dill and Diane Ceccarini)

Rising high between two rivers history yet to tell, Stands an honored Alma Mater, our UMSL. Came to seek more understanding for my life to be. Found my need for knowledge answered gratefully by thee.

Dreaming dreams about tomorrow, as I've learned today. Now this heart deep in Missouri seeks a better way. When at last my journey's over may its value be, That it honors state and nation but above all, thee.
