

Accounting Data Analytics, Graduate Certificate

Admission Requirements

Applicants must meet general University of Missouri-St. Louis Graduate School admissions requirements.

Certificate Requirements

All course prerequisites and all course waivers are applicable. Substitute courses may be approved by the appropriate department chairperson and the Director of Graduate Business Programs. All 12 credit hours taken as part of this certificate transfer to the MBA degree program.

Choose four of the following courses:	12
ACCTNG 5435 Graduate Topics in Auditing	
ACCTNG 5443/ INFSYS 6833 Decision Support Systems for Business Intelligence	
ACCTNG 5444/ SCMA 6345 Business Analytics and Data Mining	
ACCTNG 4450/ SCMA 4350 Prescriptive Analytics and Optimization	
ACCTNG 6460 Advanced Data Integration	
Total Hours	12

Rationale The curriculum was changed to make it clear that students earning the Accounting Data Analytics certificate should be graduate Accounting majors (i.e., Master of Accounting or MBA Accounting). Candidates from other fields have the certificate choices available to them in Information Systems and Supply Chain Management and Analytics.
