

# Business Administration, Master - ~~Logistics and~~ Supply Chain Management Emphasis Area

## Emphasis Area Requirements

Master of Business Administration (MBA) students seeking an emphasis in ~~Logistics &~~ Supply Chain Management (~~LSCM~~) must complete ~~3~~ SCMA 5320 and 6 additional hours ~~from~~ of approved ~~courses~~ Supply Chain Management electives ~~in addition to the following four courses:~~ ~~SCMA 5300, SCMA 5320, SCMA 6330, and MKTG 5770~~ beyond SCMA 5310 (SCMA 5310 does not count toward the emphasis in Supply Chain Management). A maximum of 15 hours in any functional area will count toward the degree requirements. ~~A student cannot receive an emphasis in both Operations Management and Logistics & Supply Chain Management for the same set of courses. An overlap of up to 3 credit hours in courses other than SCMA 5300 and SCMA 5320 is allowed.~~ Only courses that are substantially different from courses taken for credit in a student's undergraduate program will be acceptable. ~~Students must complete at least 30 credit hours to earn the MBA.~~

<sup>1</sup> If the topic is appropriate.

Rationale

Please note name change. Emphasis credit hour requirements are reduced from 12 credits to 9 credits in order to make emphasis area requirements consistent across MBA emphasis areas. Emphasis area requirements are made more clear by removing note on MBA credit hour length. Certificate title now reflects department name change.
