<td>A. <strong>Purpose of Governing Practices:</strong> The purpose of these Bylaws is to establish a body that represents the voice of the Faculty and to establish an effective vehicle for the needs and concerns of the Faculty to be presented for discussion and debate. These Bylaws assume that Faculty may participate in academic decision processes. The right of the Faculty to organize and to carry out the responsibilities and functions delegated to them by the Board of Curators (Board) is recognized in Section 10.030.D.2 of UM System Bylaws.</td>
<td>This preamble is borrowed from UMKC’s Bylaws.</td>

<tr>
<td>B. <strong>FACULTY</strong></td>
<td></td>
</tr>
<tr>
<td>1. <strong>Membership</strong> - The Faculty of the University of Missouri-St. Louis shall consist of the President, the Chancellor, tenured and tenure-track faculty, and all full-time, ranked, non-tenure track (NTT) faculty with professorial designation, all persons with regular full-time academic appointment and others elected by the Faculty. Elected members so designated by the Faculty shall be non-voting members of the Faculty. <strong>Campus-wide faculty votes on issues specific to tenure or tenured tenure track (T/TT) faculty will be restricted to T/TT faculty.</strong></td>
<td>The term “regular” faculty is no longer commonly used and it is currently unclear whether it applies to non-tenure track faculty. Much of this wording was borrowed from Mizzou’s bylaws and specifies that the faculty includes tenure/tenure-track and ranked NTT faculty (as is also the case at UMKC; Voting at Missouri S&amp;T is limited to tenure track and tenured faculty). Note that the UMSL Senate is open to “eligible” faculty, which is defined as: all those with full-time tenured/tenure-track faculty</td>

appointments as well as those with full-time non-tenure-track academic appointments who have at least 50% teaching or research responsibilities per year and one of the following terms in their titles: teaching professor, adjunct professor, affiliate professor, visiting professor, clinical professor, research professor (professor to include assistant and associate ranks, lecturer, or instructor.)

2. Faculty Rights
   
a. Academic Rights -- Each faculty member has the right to freedom of inquiry, discourse, teaching, research and publication, as well as the responsibilities correlative with this right.
   
b. Civil Rights -- The constitutional rights of the Faculty members shall be preserved.
   
c. Employment Rights -- Faculty members shall have rights consistent with their continuous appointment or term appointment (during the term), except for cause, retirement or financial exigencies.
   
d. Notification of Appointment or Changes Thereto -- Faculty members shall be notified of their appointments and workload, or any changes thereto, as much in advance of the beginning of institutional responsibilities as possible (as stated in the Board’s Rules and Regulations).
   
e. Right to be Kept Informed -- The Faculty shall be kept informed of actions and activities of committees and executive officers, and of other occurrences that pertain to the University of Missouri -St. Louis. When possible, such information shall be made available to the Faculty before being made available to the general public.

2.3 Functions - Responsibilities -- The Faculty of the University of Missouri-St. Louis, together with appropriate administrative officers, shall bear primary responsibility for

This section is borrowed from Missouri S&T’s bylaws. It also appears in Mizzou’s (without point d, about “notification of appointment.”).

S&T’s version of point d was revised in order include both annual notices of appointment for NTT faculty (that is, contract letters) and changes in the workload distribution of tenured faculty (as when a teaching load might shift if a faculty member doesn’t maintain an active research program).

(S&T’s version read “Faculty members shall be notified of their appointments promptly (as stated in the Board's Rules and Regulations).”)

recommending and implementing educational policy, particularly in areas of curriculum, degree requirements, methods of instruction, research, requirements for admission, student affairs, and faculty status. The Faculty may also make recommendations to the Chancellor and other persons or offices concerning general policy matters affecting the University. Where appropriate, the Faculty may delegate its responsibility to separate schools, colleges, or such other parallel units as may be created from time to time, to the Faculty Senate, and the University Assembly within the University of Missouri-St. Louis.

This section comes largely from UMSL’s bylaws. It was modified to shift wording from “functions” to “responsibilities. Information about delegation of authority moved below.

4. Authority -- The faculty's authority, as delegated by the Board of Curators, is of three types: primary and direct, in which the Faculty has essential decision-making authority; shared, in which the Faculty participates with others; and advisory, in which the Faculty counsels with the person or offices with ultimate decision-making authority. (On those matters requiring multi-campus coordination, the Faculty shall act through its appropriate bodies, UM System 300.040.B.5.)

These sections are new additions. The “authority” section is borrowed from Mizzou’s bylaws. Adapted to change UMC to UMSL and as described below.

Once everything is finalized these internal references need to be updated.

| a. **Primary and Direct Authority** -- The UMSL faculty has essential decision-making authority in matters directly affecting the educational program of UMSL, including but not limited to:
| (1) Articulation and maintenance of standards of academic performance -- this includes but is not limited to guidelines for appropriate research, service, and scholarships; requirements for graduation; and related matters.
| (2) Development and approval of courses of instruction and of curricula.
| (3) Development and approval of procedures governing educational support programs on the UMSL campus.
| (4) Formulation of criteria determining professional standing of faculty -- including but not limited to such matters as tenure, promotion, termination, guidelines for responsibility, faculty standing with regard to graduate faculty membership and doctoral dissertation supervision.
| (5) Determination of an appropriate faculty committee structure.
| (6) Determination of minimum admission requirements.
| (7) Selection of awardees for academic scholarships.
| b. **Shared Authority** -- The UMSL faculty has shared authority by which it

b.(4) is intended to refer to situations in which faculty have to meet professional
participates cooperatively with other persons or offices in matters such as:
(1) Development and articulation of students’ rights and responsibilities.
(2) Determination of an appropriate academic calendar.
(3) Selection of awardees for honorary degrees.
(4) Application of criteria affecting professional standing of faculty, such as required professional licensure.

c. **Advisory Authority** -- The UMSL faculty has advisory authority and responsibility with other persons or offices in matters such as:
(1) Budget and resource allocation.
(2) Planning, including capital expenditures and physical facilities.
(3) Selection of departmental, divisional, campus, and university-level administrators.
(4) Determination of the campus standing committee structure.
(5) Development and implementation of general business procedures that facilitate academic program excellence.
(6) Use of facilities for program activities.
(7) Application of criteria affecting promotion, tenure and termination.
(8) Structure of academic departments and units.

**Faculty Delegation of Authority** -- The Faculty, recognizing that handling matters through meetings of the Faculty is cumbersome, that attendance at such meetings varies, and that it is often difficult to have complete discussion of issues at such meetings, may delegate its authority to separate schools, colleges, or such other parallel units as may be created from time to time, to the Faculty Senate within the University of Missouri-St. Louis. The actions of the Senate, in those areas in which they have delegated authority, shall be deemed final unless challenged within 10 days. Such challenge shall require a petition signed by at least twenty-five (25) faculty members from at least two parallel units calling for a review by the Faculty of a particular Senate action.

licensing criteria in order to teach or for clinical practice.

In reference to c.(7): the system-wide CRR notes (Chapter 310) that although the Board of Curators “recognizes that matters relating to faculty status are primarily a faculty responsibility” and that “Recommendations in matters of appointment, reappointment, non-reappointment, promotion, tenure, and dismissal shall be by the appropriate faculty through established procedures, followed by action by administrative officers, with final determination by the appointing authority.” At each step of the tenure and promotions process the faculty group makes a “recommendation,” but it’s ultimately the Chancellor that takes the final action.

Added item c.(8), which is not included in Mizzou’s rules) and is intended to allow faculty input on things like merging, closing, and re-arranging departments is new.

Some of the wording on Delegation of authority comes from Mizzou’s bylaws. However, the units to which authority is delegated was changed based on what was in UMSL’s original bylaws under “functions.” Mizzou’s version just delegated to the Faculty Council (which is similar to UMSL’s Faculty Senate).
5. **Meetings** - The Faculty of the University of Missouri-St. Louis shall meet at least twice each year and at such additional times as the President, Chancellor, or the Faculty itself may determine. Upon written request of at least twenty-five (25) members of the Faculty, the Chancellor shall call a meeting within two weeks.

a. The President, or in the President’s absence, the Chancellor, or in the Chancellor’s absence, a member of the Faculty designated by the Chancellor shall preside at each faculty meeting.

b. A quorum shall consist of at least ten (10) percent of the voting members of the Faculty representing at least two parallel units when business described in the published agenda is being considered. When other items of business not described in the published agenda are being considered, a quorum shall consist of at least fifty (50) percent of the voting members representing at least two parallel units.

c. Notice of all meetings of the Faculty shall be sent to each member of the Faculty at least five school days prior to the meeting. Such notice includes the agenda for the meeting.

d. Proceedings in Faculty meetings shall be in accordance with the rules set forth in the most recent edition of Robert’s Rules of Order except where otherwise provided for in these Bylaws or the regulations of the University of Missouri-St. Louis.

e. Official minutes shall be kept and made available to each member of the Faculty within a week of the meeting.

   e. The Chancellor shall appoint each year a Secretary of the Faculty who shall keep an official record of the proceedings of each meeting and shall transmit copies of the minutes to each member of the Faculty.

Wording about how that authority can be withdrawn (that is the faculty can override a vote of the Senate) are borrowed from Mizzou’s rules, and adapted to refer to the Senate rather than the council. The Assembly is not referred to here because it includes staff and students as well as faculty.

Mizzou specifies that the Chancellor and Senate Chair set the agenda for faculty meetings. None of the others specify this is the CRR, although UMKC has guidance in the operating rules.

Since the requirements for a quorum are relatively modest, point b, which requires a much larger percentage of the faculty to be in address topics not on the published agenda, was borrowed from S&T. It is intended to prevent a relatively small number of faculty members from passing major changes without advance notice.

Note that:

- A quorum at Mizzou requires 50 members of the faculty representing at least 3 divisions. They require that “any item of new business not included on the distributed agenda of a faculty meeting will require either a 50 percent vote of approval of those present to be considered at the next faculty
6. **The Intercampus Faculty Council** - Three campus representatives will serve on the Intercampus Faculty Council. Two of the three shall be elected by the University of Missouri-St. Louis Faculty to serve three-year staggered terms so that no more than one of the two elected members will be replaced or reelected in any year. The Senate Chairperson shall serve as the third member of the Intercampus Faculty Council.
7. Campus Standing Committees –

The panel should consist of a senior administrator appointed by the Chancellor and two tenured faculty members, and two alternate faculty members. The faculty members will be chosen by the Faculty Senate after consultation with the Chancellor or the Chancellor’s designee. Members shall serve two-year staggered renewable terms.

2. **Degree Revocation Committee** – In accordance with 220.025, this committee shall have jurisdiction to consider any case in which revocation of a degree, diploma and/or certificate is proposed. The Committee shall be called the Campus Degree Revocation Committee. Four (4) members of the Campus Degree Revocation Committee and an alternate to serve in the event one of the four (4) members cannot serve, shall be appointed annually by the Chancellor after consultation with the Faculty Council or Faculty Senate. Each of the members of the Committee and the alternate shall be a faculty member on continuous appointment at the rank of Professor or Associate Professor. In the event that the Chancellor approves the initiation of the procedures for revocation of a degree, diploma and/or certificate, the Chancellor shall appoint a fifth member of the Campus Degree Revocation Committee, who shall also be a faculty member at one of the campuses of the University of Missouri System on continuous appointment at the rank of Associate Professor or Professor and who shall be from the same discipline or a related discipline as the department faculty who recommended the award of the degree, diploma and/or certificate, but who shall not be a faculty member in such department. Changing the wording of Senate “functions” to “Responsibilities/Powers.” Additional wording regarding the Senate’s functions/ responsibilities was borrowed from the S&T and Mizzou Bylaws.

Information about the delegation of authority is borrowed from Missouri S&T’s bylaws. See above for how a Faculty Senate decision is over-ruled by the Faculty.
