Courses in an area of specialization (can include Master's or Education Specialist work)

6. Dissertation in Practice

EDUC 7998	Dissertation in Practice Research	8

Total: minimum 80 hours, post-bacclaureate

Rationale	A title change is needed for EDUC 7395. The title will be changed to Research and Technical Writing for Educational Practitioners. Students need technical writing support initially in order to advance to the stage of preparing to write an effective research proposal later in the program. A request to drop EDUC 7605 has been submitted. It must also be removed from the EdD program. It is no longer used as part of the curriculum for either doctoral program.
