

# International Relations, BA

## General Education Requirements

Majors must satisfy the university and college general education requirements. Political science courses may be used to satisfy the social sciences requirement. The foreign language requirement for the B.A. degree may be satisfied in any language.

### Departmental Honors

The department awards honors to students having a minimum grade point average (GPA) of 3.2 in the major, a minimum overall GPA of 3.2 (except in extraordinary circumstances), and successfully completed an honors thesis, project, or report.

## Degree Requirements

All majors must complete at least 15 hours in Political Science at the 3000 level or above.

<del>POL SCI 4520</del>	<del>Mega-Cities and Diasporas: Understanding Global Migration</del>
POL SCI 2900	Studies in Political Science <sup>2</sup>
POL SCI 3900	Special Readings (with consent of instructor and advisor)

**Total Hours**

**36**

<sup>1</sup> Topic must relate to international relations.

<sup>2</sup> Topic must relate to comparative politics.

It is recommended that majors take POL SCI 1500, POL SCI 1800, POL SCI 1820, and POL SCI 3000 as early as possible since these courses are designed to provide a substantive foundation as well as conceptual and analytical tools for subsequent course work.

Majors are strongly encouraged to broaden their academic experience by including relevant curricular experiences including study abroad, and minors or certificates in areas such as economics and foreign languages.

B.A. degree students may take a maximum of 3 hours of political science on a satisfactory/ unsatisfactory basis; this can include any course except the four required courses in the core curriculum.

**Justification for request:**

Updates to reflect current course offerings and changes made during the curriculum alignment process.
