PRACTM 2200	Advanced Jazz Improvisation (4 semesters)	4
Total Hours		34 42

Justification for request:

Under "Applied Music (AP MUS)" - I am not sure how we overlooked this before, but somehow the Jazz Studies degree got approved without any specific mention of Applied lessons. Of course, all music majors must take lessons (NASM requirement), so I have added this here – it is the same requirement as is listed for all other music degree programs (except for music education).
