Current Bulletin listing: Proposed Bulletin listing: Rationale:

Bachelor of Music in Music Education
In addition to the required music core curriculum, candidates must complete the following:

General Education Requirements
All of the courses in the General Education Requirement Area must be a minimum of two semester hours. Other General Education requirements include the following:

Communication Skills
At least two courses in English composition and one in oral communications.

Social Studies
Courses in American history, American government and general psychology.

Natural Science
One course in physical or earth science; one course in a biological science. At least one of these courses must have a laboratory component.

Bachelor of Music in Music Education

General Education Requirements
All of the courses in the General Education Requirement Area must be a minimum of two semester hours. Other General Education requirements include the following:

Communication Skills
At least two courses in English composition and one in oral communication.

Social Studies
Courses in American history, American government and general psychology.

Natural Science statement removed
The General Education requirements at UMSL do not require a lab and a lab is no longer required for teacher certification. Further, teaching certification no longer requires both a physical and biological science. By removing this statement, we wish to revert to UMSL’s published General Education requirements.
### Mathematics

**Mathematics statement removed**  
This statement is redundant as the mathematics requirement is already included in UMSL’s published General Education requirements.

Note: Teacher certification in Missouri currently requires the detailed Communication and Social Studies requirements, though UMSL’s published General Education requirements allow for other options. These statements are being retained in the Bulletin to address teacher certification requirements.
## Foundations of the Secondary Music Education Curriculum

### Instrumental Certification
*MUS ED 3680, Curriculum and Methods of Teaching Instrumental Music I*
*MUS ED 3700, Curriculum and Methods of Teaching Instrumental Music II*

### Vocal Certification
*MUS ED 3710, Curriculum and Methods of Teaching Secondary Choral Music*
*Must be taken in residence before enrolling in SEC ED 3293 and SEC ED 3294.*

### Proficiency Exam
Students working toward certification in choral/vocal or instrumental music K-12 are required to pass a keyboard proficiency examination before admission to student teaching in music, usually before or during the sixth semester of their program.

## Professional Education and Student Teaching

### Level I Courses:
- TCH ED 2209, Foundations of Teaching and American Schools
- TCH ED 2212, Introduction to Learners

### Level II Courses:
- TCH ED 3312, Psychology of Teaching and Learning
- TCH ED 3313, Psychology of the Exceptional Child
- TCH ED 4320, Classroom Management; any 4320 classroom management course will fulfill the requirement.

### Level II Courses:
