Committee Chair Nigam Rath reported that the committee met to discuss changes in the NTT guidelines regarding absentee voting. Dr. Rath explained that the current procedure does not allow for absentee voting. The committee recommends that absentee voting should be allowed with remote participation (via Skype or conference call). Dr. Rath reported that members of the committee feel that participation during discussion of a candidate’s dossier is important, as members have changed their vote after detailed discussion of the dossier and the candidate’s qualifications.
