Senate Chair Alice Hall called the Faculty Senate Zoom meeting to order at 4:30 p.m. following the University Assembly meeting. Dr. Hall asked for approval of the Senate minutes from the meeting on October 27, 2020. The minutes were approved as written.

Report of the Chairperson (Dr. Alice Hall):
Dr. Hall invited Dr. Theresa Coble to inform the Faculty Senate about the Extra Compensation Taskforce. As chair of the Extra Compensation Taskforce, Dr. Coble reported that the taskforce has been meeting weekly since September. The taskforce is holding listening sessions for faculty who teach in the summer and/or receive extra compensation for non-ACP related instruction. Registration information will be provided by email. The listening sessions are scheduled as follows:

- Tenure Track or Tenured Faculty (TT): Dec. 4 @ 2:00-3:00; Dec. 7 @ 9:00 – 10:00
- Non-Tenure Track Faculty (NTT): Dec. 4 @ 10:00 – 11:00; Dec. 7 @ 4:00 – 5:00

For more information, contact Dr. Coble.

Report of the Chancellor (Dr. Kristin Sobolik):
Chancellor Sobolik had no additional information to report to the Faculty Senate.

Intercampus Faculty Cabinet (IFC) Report (Dr. Jon McGinnis):
Dr. McGinnis reported that the IFC met on November 6 and discussed the following topics:

- ASUM Survey: The members of IFC were briefed on a survey that was distributed to students on all four campuses by the Associated Students of University of Missouri (ASUM). The survey asked students about the issues that are important to them. The survey results showed that a major concern from students is the cost of their education and looking at ways it can be reduced. It was suggested that if faculty can use affordable books and open educational resources, students would really appreciate it. The survey indicated that there was also some displeasure with online learning, but the survey data wasn’t broken down by each university.

- Updates from UM System President: President Choi reported that enrollments are down across the UM System. He talked about Chancellor Start-up packages that were intended to give more autonomy to the campuses (such as the funding for UMSL’s Strategic Enrollment Plan discussed earlier by the Chancellor). President Choi announced that he would be distributing the Council of Chancellors’ Report and the Administrative Efficiencies Report to all of the campuses.

- ELearning: The IFC discussed some questions about the criteria for online certification. The certification emphasis will be on online pedagogical techniques rather than course design.
