

Nursing, RN to BSN, Program Requirements

General Education Course Requirements

Nursing majors must complete all general education requirements of the university as outlined in this Bulletin.

As part of meeting the university's general education requirements, the prerequisite courses listed under 1) Natural Science course work and 2) Behavioral and Social Science course work must be completed prior to beginning the clinical major. See a curriculum planning guide for specific courses and proper sequencing.

Students must be in residence for at least 24 of the last 30 hours ~~of~~ of graded credit (exclusive of courses graded on a satisfactory/unsatisfactory basis), except under unusual circumstances, to be decided by the dean.

1) Natural Science course work

9 hours of coursework from the Math/Natural Sciences Explore Area 9

2) Behavioral and Social Science course work

PSYCH 1003 General Psychology (MOTR PSYC 100) 3

Psychology Elective 3

NURSE 4910	Health Policy for the Professional Nurse	3
NURSE 4911	Community and Population Health Synthesis ¹	6
Total Hours		30 27

¹ Includes a laboratory and/or clinical component

All undergraduate nursing students must have access to transportation to their clinical practice experiences. Students must provide their own transportation to and from clinical agencies, which may be scheduled throughout the St. Louis metropolitan area, including Jefferson County and Illinois. Students who must use public transportation must inform their Program Director.

Justification for request:

Dropped statistics course requirement - no longer a nursing-specific course.
