A subcommittee was organized with one member from each campus. Dr. Susan Brownell will represent UMSL. The subcommittee will examine the good reasons for the existence of tenure and seek to suggest revisions in the post-tenure review procedures to make them more meaningful. The subcommittee would like feedback on the current regulation. Dr. Stine will be sending a message to the Senate asking for any comments or suggestions for improvement to the post-tenure review regulation.
- Dr. Stine stated that all of the 22 Senate and Assembly committees have now elected their chairs. He presented a slide listing all of the newly-elected chairs.

Report of the Chancellor (Dr. Thomas George):

- Chancellor George announced that Dr. Jim Krueger, Vice Chancellor of Managerial and Technological Services, has decided to retire after forty years at UMSL. Dr. George stated that a search committee has been organized to find a replacement for Dr. Krueger. The Senate gave Dr. Krueger a warm round of applause for his decades of loyal service to UMSL.

- Chancellor George announced that Dr. Judith Walker de Felix, Dean of the Graduate School, has also retired. She has taken the Phased Retirement Enhancement Program (PREP) and will still be on campus about 40% of the time. Dr. Wes Harris is serving as the interim dean. The dean of the College of Nursing, Dr. Susan Dean-Baar, will chair the search committee.
- Dr. George reported that UMSL has awarded a record number of 3,146 degrees this past year, which means we have reached our goal for the year.
