

Master of Accounting

It is designed to accommodate students who have earned an undergraduate degree with an accounting major. Students who have not completed an undergraduate accounting degree must complete the following courses prior to entry into the MAcc program:

<u>INFSYS 1800</u>	Computers And Information Systems	3
<u>ACCTNG 2400</u>	Fundamentals Of Financial Accounting	3
<u>ACCTNG 2410</u>	Managerial Accounting	3
<u>ACCTNG 3401</u>	Financial Accounting And Reporting I	3
<u>ACCTNG 3402</u>	Financial Accounting And Reporting II	3
<u>ACCTNG 3411</u>	Cost Accounting	3
<u>ACCTNG 3421</u>	Accounting Information Systems	3
<u>ACCTNG 3441</u>	Income Taxes	3

These requirements may be waived with appropriate prior coursework. Candidates who have not completed the preparatory courses may apply and be provisionally accepted into the MAcc program, but must complete the courses before registration as a Master of Accounting student can be finalized.

Students must complete a minimum of 30 credit hours while enrolled as a graduate student.

Students ~~must complete at least three courses~~ may complete up to 9 hours from other business disciplines (~~minimum~~ maximum: 9 credit hours at the graduate level)

Any BUS AD 5000 and above

Any FINANCE 6500 and above

Any INFSYS 5800 and above

Any LOG OM 5300 and above

Any MGMT 5600 and above

Any MKTG 5700 and above

Total Hours

48

Sign-offs from other departments affected by this proposal

None

Rationale

These program changes accomplished two goals. First, we added the tax research course as an option to fulfill the research requirement in the master of accounting program. Second, we provided students with more flexible elective choice options by allowing them to take up to three non-accounting electives, but also giving them the opportunity to take additional accounting electives to fulfill a five elective requirement.
