

# BA in Economics

## Bachelor of Arts in Economics

Candidates for the B.A. degree must take at least 33, but no more than 45, hours in economics. At least 27 hours must be above the 2000 level. All **required core** courses for the major must be completed with a grade of C- or better.

The following core courses are required:

<a href="#">ECON 1001</a>	Principles Of Microeconomics	3
<a href="#">ECON 1002</a>	Principles Of Macroeconomics	3
<a href="#">ECON 2800</a>	History Of American Economic Development	3
or <a href="#">ECON 3800</a>	History Of Economic Thought	
<a href="#">ECON 3001</a>	Intermediate Microeconomics	3
<a href="#">ECON 3002</a>	Intermediate Economic Theory:Macroeconomics	3
<a href="#">ECON 3100</a>	Economic Statistics	3
<a href="#">ECON 3200</a>	Money, Banking And Monetary Theory	3

## Education Majors

Education majors specializing in economics must fulfill the requirements for the B.A. degree. These majors are responsible for obtaining an adviser in the Department of Economics.

Sign-offs from other departments affected by this proposal

None

Rationale

To clear up vagueness about which courses have the C- minimum requirement.  
Core courses require a C-, electives do not.
