Rationale

Replacing MKG 3777 with MKG 3721: MKG 3721 is a more appropriate course. Adding PSYCH 2272 as an alternative to Ed Psy 2212: The Psych 2272 development is for students working with adults, thus it covers lifespan while Ed Psy 2212 addresses development of infants, children and adolescents
Add Educ 3170: This course will prepare students to write small grants. Educ 4989: Students will be required to receive a grade of B- or better to enroll in Educ 4990 or 4991, Internship 2 courses. This requirement has been added to the course description for Educ 4989.
