

MPPA, Individualized Emphasis Area

Individualized Emphasis Area

Prior to the completion of 15 hours in the MPPA program, the student must present a proposal for 12 hours of specific coursework for approval by the student's advisor and the MPPA ~~faculty~~ program director. The 12 hours must include P P ADM 6950, Internship (in an assignment relevant to the emphasis area). Students with ~~unless the student has~~ significant public or nonprofit sector experience may request permission to waive the internship and replace it with an additional three-credit hour elective.

Sign-offs from other departments affected by this proposal

None

Rationale

Adding a sentence about requesting permission to waive the internship and replace it with a three-credit hour elective.
