If other departments are affected by this proposal, please secure "sign-offs" and indicate for each department the following:

Program Learning

Outcomes

Learning Outcomes

Identify teaching and learning practices that promote diversity, equity, and social justice.

Foster lifelong learning about diversity, equity, and social justice.

Support the understanding, knowledge, and skills needed to create a just and equitable society.

Implement change in one's professional practice.

[SocialJusticeScreening Form for Changes to Existing Programs.pdf](#)

This program will be developed with the intention of delivery in the following delivery modes (choose all that apply)

[UMSL Online \(50-74% of program coursework offered online\)](#)

[Missouri Online \(75% or more of program coursework offered online and participates in Missouri Online\)](#)

Justification for

request:

Adjustment to reflect new names and numbers of courses that had been previously taught using generic courses. Addition of program learning outcomes. Adjusted suggested sequencing of courses and reflected that in the curriculum map. Adjusted delivery mode to reflect synchronous online format of all courses.

Program Reviewer

Comments

Keeta Holmes (holmeskm) (09/26/24 4:14 pm): Rollback: Phillip, Could you attach a curriculum map showing how your chosen set of courses align to the program outcomes (with the I/D/M designations)? Let me know if you need some help on how to craft that. - Keeta

Betsy Sampson (sampsone) (09/17/25 4:22 pm): For HLC substantive changes, this program has a 75% change. HLC has been notified with no further action required.
