Attachments

This program will be developed with the intention of delivery in the following delivery modes (choose all that apply)

Face to face

Justification for
request:

We are simultaneously proposing that the course THRY COM 1302 be changed from its existing 2 credits to 3 credits. We are planning on essentially rolling THRY COM 1300 into this class, which will make it unnecessary to offer 1300 as a separate class. As such, we would like to remove THRY COM 1300 from our Core Curriculum, and change the listing of THRY COM 1302 to 3 credits, which we hope will be the approved outcome.
