Survey: Select your school and the course/instructor you want to evaluate

Thank you for taking the time to complete this survey. The questions on this survey have been developed to assess courses offered through the Advanced Credit Program. Your individual responses will be anonymous, but a summary of the responses from the class will be available to the course instructor. Your honest and thoughtful ratings can help instructors improve their courses and help departments make decisions about the courses they offer through the Advanced Credit Program.
Please evaluate only the course(s) you were enrolled in during last semester.
